Another America:

Another America Kofi Buenor Hadjor, 1995 Born in the flames of the Los Angeles rebellion Another America is a fiery collection of trenchant essays on race class and politics Provocative and compelling Kofi Buenor Hadjor's work argues that racial issues are often camouflaged in neoconservative debates and policy proposals about crime welfare poverty and family values The U S government's ongoing war on the underclass the assaults on affirmative action the myth of reverse discrimination the so called war on drugs give weight to Hadjor's theory that African Americans are being blamed for their plight in a society where racism remains an integral part of all institutions [Another America/Otra America](#) Barbara Kingsolver, 2022-02-22 From a bestselling and beloved author an intensely personal collection of poetry rich with political and human resonance Ursula K LeGuin Before becoming the bestselling author we know today Barbara Kingsolver as a new college graduate in search of adventure moved to the borderlands of Tucson Arizona What she found she says was another America Interweaving past political events from the US backed dictatorships in South America to the government surveillance carried out in the Reagan years Kingsolver's early poetry expands into a broader examination of the racism discrimination and immigration system she witnessed at close range The poems coalesce in a record of her emerging adulthood in which she confronts the hypocrisy of the national myth of America a confrontation that would come to shape her not only as an artist but as a citizen With a new introduction from Kingsolver that reflects on the current border crisis Another America is a striking portrait of a country deeply divided between those with privilege and those without and the lives of urgent purpose that may be carved out in between **Another America: The Story of Liberia and the Former Slaves Who Ruled It** James Ciment, 2013-08-13 Describes the history of Liberia founded and settled by a small group of African Americans who left early 19th century America to free themselves from prejudice but ended up persecuting the area's natives in a way that mirrored their own histories **Another America** James Ciment, 2013-08-13 The first popular history of the former American slaves who founded ruled and lost Africa's first republic In 1820 a small group of African Americans reversed the course of history and sailed to Africa to a place they would name after liberty itself They went under the aegis of the American Colonization Society a white philanthropic organization with a dual agenda to rid America of its blacks and to evangelize Africa The settlers eventually numbering in the thousands broke free from the ACS and in 1847 establish the Republic of Liberia James Ciment's Another America is the first full account of this dramatic experiment With empathy and a sharp eye for human foibles Ciment reveals that the Americo Liberians struggled to live up to their high ideals They wrote a stirring Declaration of Independence but re-created the social order of antebellum Dixie with themselves as the master caste Building plantations holding elegant soirees and exploiting and even helping enslave the native Liberians the persecuted became the persecutors until a lowly native sergeant murdered their president in 1980 ending 133 years of Americo rule The rich cast of characters in Another America rivals that of any novel We encounter Marcus Garvey who coaxed his followers

toward Liberia in the 1920s and the rubber king Harvey Firestone who built his empire on the backs of native Liberians Among the Americoes themselves we meet the brilliant intellectual Edward Blyden one of the first black nationalists the Baltimore born explorer Benjamin Anderson seeking a legendary city of gold in the Liberian hinterland and President William Tubman a descendant of Georgia slaves whose economic policies brought Cadillacs to the streets of Monrovia the Liberian capital And then there are the natives men like Joseph Samson who was adopted by a prominent Americo family and later presided over the execution of his foster father during the 1980 coup In making Liberia the Americoes transplanted the virtues and vices of their country of birth The inspiring and troubled history they created is to a remarkable degree the mirror image of our own Praise for Another America An elegant story of Africa s first republic Concise and yet comprehensive Mr Ciment s poignant history highlights perhaps the most extraordinary thing about Liberia that in spite of so many barriers it has endured for almost two hundred years In this sense Another America is a modern morality tale John Stauffer *The Wall Street Journal* *The Other America* Decio De Carvalho,2005-11 Meet a young journalist steeped in secular humanism Wonder at an aged RAmerican by choice S with the secret to the Rpuzzle that is America S Enjoy the freshness of an intelligent homeschooled girl These lives intertwine in this fictitious story based upon real people and events to reveal eye opening truths about America *Networking, the First Report and Directory* Jessica Lipnack,Jeffrey Stamps,1982 **Texas Takes Shape** Mark Lambert,James Harkins,Brian A.
