Another Starchild:

Slices of a Starchild's Life SR Brown,2018-10-21 The inspiration for the urban fantasy series Starchild's Fire we can find many of the characters featured in these works exploring this town and universe in the novels Volume two in the slice of life series we again go on adventures with the starchild Val as they once more explore the absolutely typical town they call home Nothing strange going on in a hometown in the middle of nowhere A place with less direct sunlight than a rainy day and with a forest that contains creatures of myths Plus the ocean remains a great location to dip your toes in the water As long as you stay behind the net so knowledge hungry mermaids don't drag you beyond the drop off Still a land of ordinary magic and monsters the shapeshifter will meet a werehyena whose life they save and fight to not repay for such a friendly deed befriend a kind immortal with an affection for jewels and living in an isolated cabin in the woods and relax with intergalactic friends on a bench in the park on a quiet afternoon But with a love of the tranquil life and making new acquaintances wherever they go these are just another day for Val A gentle smile always on their face as they've had for the last few decades no matter the situation After all aren't all towns like this

The Ever War Elder Conrad Jarrell,2015-08-23 The King James Bible teaches that God created the entire universe in Six Days that all the Holy Angels for they all still were sang together and shouted for joy and that God saw that Everything that He had made was very Good for it all still was Then the Seventh Day Everything changed save only God the Elect Holy Angels and their heavenly Abode This book is about Who and What and Why and How those Changes were made It is the Story of Life and Death Holiness and Sin Heaven and Hell Angels and Demons The Seed of The Woman and The The Seed of The Serpent It is the Story of the single Throne of God and of many Unidentified Flying Objects It is the Story of the Human Race and of Another Race which only looks human and of still Others which don't at all It is the Story of an Innocent Man Who died on a Cross and rose to be Lord on the Throne of Heaven and of a Guilty Cherub who fell from Glory and will rot forever in a Lake of Fire This book is The Story of The Ever War

Williscroft,2022-03-24 As the Oort Federation becomes a major force in the Solar System Braxton Thorpe passes the Federation chairmanship to former US President John Butler Thorpe's group offers humanity virtual immortality but Isidor Orlov and his Udachny Enterprises oppose their every move While terraforming Mars for more living space the Mars Reds prove formidable as resisters If the Asterian starship fighter pilots are released will they align with Phoenix or Udachny and who will develop the right FTL technology In this tense space adventure Thorpe his team and Max the tabby cat travel to Proxima Centauri and beyond to the Aster system 84 lightyears distant Will Thorpe bring together humans and Asterians in their quest for intergalactic travel Will long life prove more than mere humans can handle

The "Nonsense" Papers James W. Astrada,2013-10 In the first volume of his Nonsense Papers series James W Astrada explored the controversial discussion of extraterrestrial influence on the human species and planet Earth Now on the precipice of the Digital Age humanity is evolving at an astonishing rate but are we evolving quickly enough to be entrusted with our advances As we face the estimate

that the human population may swell to ten billion by 2050 we must demand debate on how this finite planet can handle humanity's uncontrolled growth This second installment of Astrada's series continues to focus on humanity's perilous journey to connect with the power cosmic and abandon our primitive and ignorant beliefs of the paranormal and the mystic It also looks at the origins of humanity Darwinism geo engineering the dangers inherent as humans try to control the weather and more The race is on for the individual to ascend this reality we live in to finally reconnect with the galactic families of sentient beings that await us if we try to master our humanity and all of its obstacles Are we the greatest threat to our own existence Are we ready for contact from another world The Ministry of the Child Dennis C. Benson, Stan Stewart, 1979
