Divorcing Marriage Daniel Cere, Douglas Farrow, Institute for the Study of Marriage, Law, and Culture, 2004 A brilliant timely and essential book on same sex marriage says John O Sullivan of The National Interest **The Fairgrounds** Blake Alb, 2022-02-21 Can you stomach the Fairgrounds Based on nothing but a modern day message in a bottle and a secret invention that can measure the ebb and flow of Karma itself watch as three troubled strangers each takes a leap of faith to find fairness in an unfair world But things get close and personal as a masked vigilante vows to take Karma into his own hands But no matter what brought our band of less than merry men together one thing is for certain common enemies make for strange bedfellows In Book 1 get acquainted with each of our three misunderstood adventurers as they independently try to make sense of a secret message embedded in a mysterious 2 bill Who wrote the secret message and can they be trusted Each of our protagonists must face their inner conflicts and weigh the pros and cons of endeavoring on such a risky pilgrimage Is it fate that guides these complete strangers towards a common destiny Or is it simply a disaster waiting to happen the wishful and wistful thinking wrought by the telltale imaginations of overzealous dreamers *Trames*, 2005

Right-Wing Women Andrea Dworkin, 2025-02-25 With a new foreword by Moira Donegan this long awaited reissue of Dworkin s iconic study of women in American conservatism is paired with a bold modern package to match Dworkin s visionary perspective and style Andrea Dworkin wrote Right Wing Women in 1983 a crucial and deeply illuminating analysis of the right s position on abortion homosexuality antisemitism female poverty and antifeminism Forty years later the book feels more vibrant clear eyed and visionary than ever especially as these issues get relitigated in both legal and public forums In addition to her revelatory and nuanced portraits of figures like Anita Bryant and Phyllis Schlafly and an examination of the roots of a distinctly woman led brand of American conservatism Right Wing Women will give readers the thrill of rediscovering the force and elegance of Dworkin s arguments and her skill as one of our most adept and prophetic feminist thinkers

The African American Male, Writing, and Difference W. Lawrence Hogue, 2012-02-01 In this wide ranging analysis W Lawrence Hogue argues that African American life and history is more diverse than even African American critics generally acknowledge Focusing on literary representations of African American males in particular Hogue examines works by James Weldon Johnson William Melvin Kelley Charles Wright Nathan Heard Clarence Major James Earl Hardy and Don Belton to see how they portray middle class Christian subaltern voodoo urban jazz blues postmodern and gay African American cultures Hogue shows that this polycentric perspective can move beyond a racial uplift approach to African American literature and history and help paint a clearer picture of the rich diversity of African American life and culture
