Basic Belief and Basic Knowledge René Woudenberg, Sabine Roeser, Ron Rood, 2013-05-02 Over the last two decades foundationalism has been severely criticized In response to this various alternatives to it have been advanced notably coherentism At the same time new versions of foundationalism were crafted that were claimed to be immune to the earlier criticisms This volume contains 12 papers in which various aspects of this dialectic are covered A number of papers continue the trend to defend foundationalism and foundationalism s commitment to basic beliefs and basic knowledge against various attacks Others aim to show that one important objection against coherentism viz that the notion of coherence is too vague to be useful can be countered

Rational Belief Robert Audi, 2015 This book is a wide ranging treatment of central topics in epistemology It provides conceptions of belief and knowledge offers a theory of how they are grounded in our experience and in the social context of testimony and connects them with the will and with action moral responsibility and intellectual virtue

The Rationality of Theism Paul Copan, Paul Moser, 2004-07-31 The Rationality of Theism is a controversial collection of brand new papers by thirteen outstanding philosophers and scholars Its aim is to offer comprehensive theistic replies to the traditional arguments against the existence of God offering a positive case for theism as well as rebuttals of recent influential criticisms of theism

The Power and Value of Philosophical Skepticism Jeffrey P. Whitman, 1996 How should we react to philosophical skepticism Jeffrey P Whitman answers this question in The Power and Value of Philosophical Skepticism by examining analytic and post analytic responses to the problem of skepticism concerning our knowledge of the external world Whitman analyzes skeptical arguments that call into question our ability to obtain empirical knowledge He tests analytical theories of knowledge foundationalism coherentism and reliabilism and the post analytical responses of Donald Davidson and Richard Rorty against skeptical arguments Whitman explores the failure of analytic and post analytic theories and concludes that embracing a theoretical version of philosophical skepticism has advantages over post analytic responses both in the realm of philosophical inquiry and in everyday life
