Regulation Phillip J. Cooper,2009 A concise survey and analysis of presidential attempts over the last thirty years by Democrats and Republicans alike to dismantle the regulatory state that first appeared under FDR Argues that the war against regulation failed and that its excesses remind us of the value and proper role of regulation in American government

Crisis Intervention Strategies Burl E. Gilliland,Richard K. James,1997 This book teaches helping professionals the skills and procedures they need to know to handle crises Gilliland and James present a six step model that gives students and practitioners a systematic way of dealing with people in crisis Defining the Problem Ensuring Client Safety Providing Support Examining Alternatives Making Plans and Obtaining Commitment Upon this model the authors then build specific strategies for handling a myriad of different crisis situations in many cases providing the dialogue the nurse minister police officer counselor or other practitioner might have with the person in crisis **Nixon's Economy** Allen J. Matusow,1998 Historian

Allen J Matusow now presents the first comprehensive history of Nixon s political economy He depicts a president who disliked the subject but was forced to pay attention or lose his dream of effecting a historic realignment of the political parties in America The study derives its authority from extensive archival research in Nixon s presidential papers including notes by Haldeman and Ehrlichman of crucial conversations in the Oval Office Matusow shows the poverty of contemporary economic theory Nixon s willingness to sacrifice the world economy for his domestic political purposes and his desperate attempts to find something anything that might work Lurching from one set of policies to another Matusow argues Nixon achieved only illusory successes that ultimately brought on a decade of economic disaster **Internationalising China's Financial Markets** Svenja Schlichting,2008-10 Financial reform is often seen as the achilles heel of the overall Chinese

reform process this book assesses the stability of the Chinese economy and the nature of its economic governance Svenja Schlichting examines how internationalization has impacted on financial market development in China and how far this has contributed to the development of new institutions within China *Managing Crises* Uriel Rosenthal, Arjen Boin, Louise Kloos Comfort, 2001 This textbook considers the phenomenon of crises from a new perspective one that bridges the conventional social science view with the ever changing nature of crises in modern society The textbook is divided into five sections The first section introduces the perspective taken in the textbook and offers an understanding of what crises means The second section discusses how crises develop and escalate One chapter in this section offers case studies of a number of Los Angeles riots that have taken place since the 1960s including the riot sparked by the verdict of the Rodney King trial The third section provides discussions on the decision making leadership and coordination that occur when responding to any particular crisis Section four reviews the politicization of crisis as well as the traumas that accompany any crisis The fifth section details the unintended consequences of modernization and how this will shape crises of the future **Emergency Preparedness Digest**, 1993-04
