Bathsheba Connection:

Bathsheba Survives Sara M. Koenig, 2018-11-15 A portrait of a biblical woman seen through the centuries as everything from adviser to temptress to victim Bathsheba is a mysterious and enigmatic figure who appears in only seventy six verses of the Bible and whose story is riddled with gaps But this seemingly minor female character who plays a critical role in King David s story has survived through the ages and her afterlife in the history of interpretation is rich and extensive In *Bathsheba Survives* Sara M Koenig traces Bathsheba s reception throughout history and in various genres demonstrating how she has been characterized on the spectrum from helpless victim to unscrupulous seductress Early Jewish interpretations Koenig argues highlight Bathsheba s role as Solomon s mother and adviser while texts from the patristic era view her as a type of sinful flesh of the law or of the gentile church Works from the medieval period depict Bathsheba as a seductress who wants to tempt David with art embellishing her nudity while reformers such as Luther and Calvin treated Bathsheba in a generally critical light as indiscreet and perhaps even devious During the Enlightenment period Koenig claims Bathsheba was most frequently discussed in commentaries that used historical critical methods to explain her character and her actions Koenig then demonstrates how Bathsheba is understood in today s popular media as both seductress and victim being featured in novels films and in music from such artists as Leonard Cohen and Sting The minor enigmatic biblical character Bathsheba Koenig writes has survived through time by those who have received her and spoken about her in varying ways Though she disappears from the biblical text she resurfaces in thought and study and will continue to survive in the centuries to come

On Prophets, Warriors, and Kings George J. Brooke, Ariel Feldman, 2016-05-10 While recent decades have seen a plethora of studies exploring the complex processes that shaped biblical books traditionally designated as Prophets much remains to be done in order to uncover the rich history of their interpretation throughout the ages This collection of essays aims at filling this gap by exploring different aspects of the exegesis of the Former and Latter Prophets in contexts both ancient and modern Jewish and Christian From the inner biblical interpretation of the Prophets to the Dead Sea Scrolls Apocrypha and Pseudepigrapha the New Testament Patristic writings and contemporary rhetoric this volume sheds light on how key figures in those books were read and understood by both ancient and not so ancient readers

The Hebrew Bible in Contemporary Fiction and Poetry Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars
