secondary education I had to pass by the last remnant of the A Famosa fortress and St Paul s Hill Quite often in the afternoons my classmate and I would go up St Paul s Hill to sit under the shade of the trees that were around the ruined church and do some quiet reading and studying Some weekends we would go to Pulau Besar an island off Melaka steeped in myth and legend visited by preachers and pilgrims for centuries In this short account of the history of Melaka Devinder Raj weaves in letters myths and oft forgotten historical facts to craft an image of his home state during the Melakan sultanate and under the rule of the Portuguese the Dutch and the British Filling in the gaps in history textbooks and piecing together accounts such as letters from Melaka s Tamil merchants to the King of Portugal and the proposed British effort to demolish Melaka entirely Where Eighty four Languages Were Once Spoken revisits the storied history of a historic city *The Loss of Java* P.C. Boer,2011-01-01 *The Loss of Java* explains in detail the air sea and land battles between the Allied and Japanese armed forces during the battle for Java that followed the evacuation of southern Sumatra in February 1942 Little has been written about the allied air campaign or about why Dutch forces fought just one major land battle with the Japanese the Battle of the Tjiater Pass in the later stages of the struggle P C Boer considers whether the assessment of Major General Van Oyen that deploying the Allied air forces might prevent Japanese invasion of Java was realistic and whether reliance on air power limited the capacity of land and naval forces to repel Japan s advances The generally accepted idea is that the Allies were ineffective in their fight against the Japanese invaders but in fact the Japanese suffered serious losses Boer s study shows that Dutch strategy grew out of a carefully devised plan of defense and that the battle for Java comprised not one the Battle of the Java Sea but four major engagements However Japanese commanders at various levels consciously took steps that exposed their forces to great risk but succeeded in putting the Allies under great pressure In the end the Royal Netherlands East Indies Army KNIL and the allied forces capitulated on 8 March 1942 This book is a translation of *Het Verlies Van Java Een kwestie van Air Power De eindstrijd om Nederlands Indie van de geallieerde lucht zee en landstrijdkrachten in de periode van 18 februari t m 7 maart 1942* Amsterdam Bataafsche Leeuw BV for the Koninklijke Militaire Academie 2006 *Encyclopedia of National Heroes: Sumatra* Katrin Vee,2024-09-13 Indonesian national heroes are individuals who have made significant contributions to the struggle for Indonesia s independence and the nation s development They are figures who have sacrificed everything for the welfare of the people and the country These are fighters who not only battled for their own interests but also for the well being of the Indonesian people They faced various challenges and obstacles in their struggle ranging from colonization and war to revolution Indonesian national heroes have made substantial contributions to advocate for the rights and dignity of the Indonesian people as well as to fight for Indonesia s independence from Dutch colonization This book will discuss Indonesian national heroes particularly those from the island of Sumatra [Pertamina; Indonesian National Oil](#) Anderson G.
