**Be the One You Need** Sophia A. Nelson, 2022-06-28 From acclaimed journalist Sophia A Nelson the bestselling author of *The Woman Code* comes a poignant powerful and revealing memoir providing life lessons that emphasize the importance of self care self love and self understanding that will lead to freedom healing from the past and a better future Sophia A Nelson is a highly accomplished woman Yet following a bout with Covid 19 caretaking for a sick parent during the pandemic running a business and being a mainstay on national television as a political pundit and legal analyst on CNN MSNBC the BBC and Sirius XM she realized that she was struggling internally even as she maintained her breakneck schedule Like so many others as an adult child of an alcoholic Nelson struggled with self love and knowing her value despite her successes As she came to learn it was when she stopped feeling guilty and neglecting herself emotionally and started understanding the importance of self care and nurturance that she found the freedom to truly live and thrive Her message *Be the One You Need* reveals lessons illuminating for readers that the answers we seek are always within us Nelson s call does not mean we do not need other people quite to the contrary but that our first love and our priority must be to self Good emotional health Good physical health Good spiritual health Good relational health The earlier we can figure this out and take care of these basic needs love connection faith and success the better chance we have of a balanced fulfilled life In this thought provoking book at times sobering yet also uplifting and encouraging Nelson speaks to readers from all walks of life young people just starting out those at mid life trying to wrestle with what she calls your second life and readers in their later years who still have time to forgive themselves and seek forgiveness where needed Her purpose in this book is to encourage men and women alike to practice meaningful self contemplation self care and self love This book is for anyone who is still fighting demons from their childhood For anyone who has been hurt too many times to count For anyone who desperately wants a roadmap to break free from toxic family ties Or simply for those who need to be reminded that until you take care of yourself first you will have little to nothing of yourself to give to others As the old saying goes It s never too late to have a life and it s never too late to change one

**Be the One** April Smith, 2012-04-25 From the author of *North of Montana* The writing has the taut perfect tone of a well tuned string Scott Turow a spellbinding new thriller about ambition taken to unexpected and deadly extremes Cassidy Sanderson is a scout for the Los Angeles Dodgers the only female scout in the major leagues Hard living and hard drinking a gifted athlete herself she takes pride in successfully competing in a male world But recently she has been losing prospects on the sign and her job security is teetering on the edge When she gets a tip from a close friend and fellow scout about Alberto Cruz a young phenom in the Dominican Republic she impulsively catches a flight to Santo Domingo even though it is out of her territory and she will undoubtedly incur her boss s wrath If Alberto Cruz is as good as she s been told the trip will be worth the risk The risk starts quickly Not only has Cruz got it all the heart the guts the aptitude he may also have a bad spirit on him And he s not the only man Cassidy meets on the island who might change her life for good or ill The other is Joe

Galini is a powerful financier and real estate developer one of the most provocative men she has ever met When Cassidy returns to Los Angeles she finds herself entangled in a blackmail scheme laced with otherworldly voodoo and real life violence a tightening triangle of suspicion and deception that leads her to the back rooms and backstabbing of high stakes sports and finance where she is about to discover that there is a thin line between a competitor and a killer Once again April Smith gives us a novel of nonstop suspense large in scope emotionally rich and built around a central character of striking originality and substance It is an electrifying read *Let Me Be the One* Bella Andre,2014-01-01 When Vicki Bennett saved Ryan Sullivan's life as a teenager it was the beginning of a close friendship that never wavered despite her failed marriage to someone else and Ryan's well earned reputation as a ladies man So when she suddenly needs a pretend boyfriend to protect herself and her career from a powerful man's advances he is the only person she can imagine asking **The Second Birth** Tilo Schabert,2015-11-20 Most scholars link the origin of politics to the formation of human societies but in this innovative work Tilo Schabert takes it even further back to our very births Drawing on mythical philosophical religious and political thought from around the globe including America Europe the Middle East and China *The Second Birth* proposes a transhistorical and transcultural theory of politics rooted in political cosmology With impressive erudition Schabert explores the physical fundamentals of political life unveiling a profound new insight our bodies actually teach us politics Schabert traces different figurations of power inherent to our singular existence things such as numbers time thought and desire showing how they render our lives political ones and thus how politics exists in us individually long before it plays a role in the establishment of societies and institutions Through these figurations of power Schabert argues we learn how to institute our own government within the political forces that already surround us to create our own world within the one into which we have been born In a stunning vision of human agency this book ultimately sketches a political cosmos in which we are all builders in which we can be at once political and free **Public Service** ,1910 **Report of the British Columbia Department of Agriculture** British Columbia.
