Booklist starred review A poignant and moving read perfect for fans of *Friday Night Lights* **The Man Outside** Wolfgang Borchert, 1971 Collection of short stories and a one act play **The Hallucinogenic Rooster** David White, 2005-03-15 The *Hallucinogenic Rooster* is a moment captured in time a dreamlike and nightmarish expansion of one brief moment In a place called Fairy Tale Town some years ago I walked with a girl I was in love with among grimy fantasies a concrete Pirate ship a castle and drinking fountains in the form of hippos and tin soldiers Strange music came over loudspeakers Three of us we were baby sitting her sister s infant as a sort of makeshift family walked in this strange place I watched a rooster walk in and out of shadows and light I hallucinated that I was seeing its molecules and atoms coming apart and reassembling in bright colors I chose this event to represent the moment when we could have spoken to each other with our hearts but instead kept our silence This book is a sort of poetic expansion of that brief lonely and beautiful moment **Heritage and the Legacy of the Past in Contemporary Britain** Ryan Trimm, 2017-08-24 Bringing together heritage studies and literary studies this book examines heritage as a ubiquitous trope in contemporary Britain a seemingly inescapable figure for relations to the past Inheritance has been an important metaphor for characterizing cultural and political traditions since the 1970s but one criticized for its conservatism and apparent disinheritance of new Britons Engaging with contemporary literary and cinematic texts the book interrogates metaphoric resonances that bestowing past receiving present and transmitted bounty are all singular and unified that transmission between past and present is smooth despite heritage depending on death that the past

enjoins the present to conserve its legacy into the future However heritage offers an alternative to modern market driven relations transactions stressing connection only through a momentary exchange for bequest resembles gift giving and connects past to present Consequently heritage contains competing impulses subtexts largely unexplored given the trope s lapse into cliché The volume charts how these resonances developed as well as charting more contemporary aspects of heritage as postmodern image tourist industry historic environment and metaculture These dimensions develop the trope moving it from singular focus on continuity with the past to one more oriented around different lines of relation between past present and future Heritage as a trope is explored through a wide range of texts core accounts of political theory Locke and Burke seminal documents within historic conservation phenomenology and poststructuralism film and television Merchant Ivory Downton Abbey and a broad range of contemporary fiction from novelists including Zadie Smith Julian Barnes Hilary Mantel Sarah Waters Alan Hollinghurst Peter Ackroyd and Helen Oyeyemi *At the Front* William Martin (chargé d'affaires de Hawaii en France.),1915 **City Government** ,1898 **Municipal Journal and Public Works** ,1912 AERA ,1929 *Municipal Journal* ,1912 **Supreme Court New York** ,1936 **The Cabbagetown Gang** Mark Thurman,1986 **Negro Problems in Cities** Thomas Jackson Woofter (Jr.),1928 *Telegraph Workers Journal* ,1938 **Florida Municipal Record** ,1928 **Water Works Engineering** ,1928 **Municipal Journal and Engineer** ,1912 *The Cumulative Book Index* ,1984 A world list of books in the English language Report United States.
