Stafford Hildred,2010-10-14 Almost 20 years since he first appeared in Henning Mankel s novel Faceless Killers the sad Swedish detective Kurt Wallander has become a worldwide success story Mankel s compelling books about the idealistic police inspector who is even more miserable than Morse have sold more than 30 million copies in 43 different languages and inspired more than 25 film adaptations In Europe readers took instantly to the troubled lonely cop with his horrendous health problems and catastrophic home life The nine Wallander novels became runaway bestsellers all over Europe but in Britain and the United States success was slower to take off But now since Kenneth Branagh has taken on the central role in the acclaimed and award winning BBC series British and American fans have really taken Wallander to their hearts The popularity of the character has turned the small Swedish town of Ystad into one of the country s top tourist attractions and many British and American visitors are joining the queue to visit murder scenes and immerse themselves in the bleak landscape made famous on screen Yet Wallander is much more than just another TV crime series Henning Mankel invented the caring policeman as a vehicle to write about the disturbing increase in violence and racism that was undermining the comfortable social democracy of Sweden Those problems are as international as Wallander s appeal **REAL MYSTERY AND THRILLERS** INTER BOOK, Greatest Mystery Thriller Masterpieces **The American Kennel Gazette and Stud Book** ,1923 **Field and Fancy** ,1923 *Protozoology* Charles Morley Wenyon,1926 The Hoodoo Detective Kirsten Weiss,2020-07-24 Hoodoo Haunts and Hot Flashes Metaphysical Detective Riga Hayworth just wants to wrap up her supernatural TV series exploring the magic of New Orleans and go home But when she stumbles across a corpse the middle aged metaphysical detective ends up a police consultant on a series of occult murders Murders that become all too personal When a vampire and Riga s two necromancer hunting aunts appear on the scene Riga fears there s more to this case than meets the eye And when Riga s magic changes in unpredictable ways she s certain of it But can she manage her powers before a killer takes someone she loves Delving into the Gothic cemeteries streets and mansions of New Orleans The Hoodoo Detective is book five in the Riga Hayworth series of fun fast paced paranormal women s fiction If you re looking for a page turner with a complicated 40 something heroine scroll up and buy The Hoodoo Detective to start your next magical adventure today *In the Open* ,1919 **Sportsmen's Review** ,1924 **In Doubt** Drusilla Campbell,2014-08-26 Defense Attorney Sophie Giraudo is about to open a new legal practice in her hometown of San Sebastian California when the beloved governor is shot and seriously wounded during a celebration in the town park The only thing more shocking than the crime itself is the identity of the would be assassin a seemingly gentle teenager named Donny Driven by her desire to understand what could make a person with no history of violence suddenly commit such a terrible act Sophie reluctantly agrees to take him on as a client knowing that at least it will bring her some income But soon she realizes that she also has personal motivations for taking the case a desire to prove to her overbearing mother that she is not the reckless and self destructive teenager she used to be to prove to her ex husband who happens to be the prosecuting attorney that she can win her case

and to prove to herself that the traumatic events of her adolescence no longer define her As she digs deeper into Donny s past Sophie begins to suspect that he might not be the cold blooded killer everyone thinks he is Does Donny s narcissistic mother really have her son s best interest in mind Is Donny s mentor who runs Boys Into Men a program for disadvantaged youths the altruistic man he claims to be Is Donny a deranged murderer or a victim of his circumstances acting out of desperation As Sophie races to uncover the truth she is forced to come to terms with her past and to fight for what she knows is right even if it means risking her reputation and possibly her life
