Doing Business in the Philippines 2008 ,2008 **Theatre of the Rule of Law** Stephen Humphreys,2010-11-11 Theatre of the Rule of Law presents a sustained critique of global rule of law promotion an expansive industry at the heart of international development post conflict reconstruction and security policy today While successful in articulating and disseminating an effective global public policy rule of law promotion has largely failed in its stated objectives of raising countries out of poverty and taming violent conflict Furthermore in its

execution this work deviates sharply from the rule of law as commonly conceived To explain this Stephen Humphreys draws on the history of the rule of law as a concept examples of legal export during colonial times and a spectrum of contemporary interventions by development agencies and international organisations Rule of law promotion is shown to be a kind of theatre the staging of a morality tale about the good life intended for edification and emulation but blind to its own internal contradictions

Deepening EU-Georgian Relations Michael Emerson, Tamara Kovziridze, 2018-10-15 For Georgia the signing of the Association Agreement and the DCFTA with the European Union in 2014 was an act of strategic geopolitical significance Of all the EU's eastern partners the country has distinguished itself since the Rose Revolution of 2003 by pushing ahead with a radical liberalisation and economic reform agenda Georgia is also unique among the countries in the region for having largely cleansed its economy and political system of corruption The purpose of this Handbook is to make the complex political economic and legal content of the Association Agreement readily understandable This second edition published two years into the Agreement's implementation adds new value The Handbook now reflects Georgia's progress in putting the Agreement into effect Two teams of researchers from leading independent think tanks CEPS in Brussels and Reformatics in Tbilisi collaborated on this project with the support of the Swedish International Development Agency Sida This Handbook is one of a trilogy examining similar Association Agreements made by the EU with Ukraine and Moldova
