**Dolphin Key** Jon Land, 2011-04-01 In the tradition of Hope Mountain Dolphin Key is a powerful novel of redemption and second chances a place where magic exists and miracles happen Dolphins are magical creatures they comfort the heartbroken rescue the lost even heal the sick At the Hope Key Dolphin Assisted Therapy center in Florida dolphins use their healing powers to help autistic children communicate and to soothe other troubled people But what if you don't want help What if you've gone so far down the wrong path that you can't go back Katy Grant can't see any way back from the path her life has taken And she doesn't really care Working at Hope Key keeps her out of jail And it just might give her the chance at revenge she wants on the man who ruined her life And not even the dolphins can do anything about that Or can they At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

*Enigma Myth Deciphered* Marek Grajek, 2024-11-07 This unique new volume analyses source documents both previously known and recently declassified generating an extremely broad and original synthesis about Enigma The author uses his experience as a cryptologist to fill in gaps in the sources or to correct misguided interpretations also adding the passion of a journalist drawing a vivid picture of the characters and the story As a Pole he presents this story through the lens of the fate of the Polish mathematicians who were the first to break the cipher as early as 1932 and laid the foundations for the subsequent Allied success The book's coverage ranges from the mathematical foundations of codebreaking through the complex fates of the people and organisations involved in the attacks on the Enigma ciphers the impact of decrypts on the fate of the major campaigns of the Second World War to the role that wartime cryptology and codebreakers played in the birth of digital civilisation The Polish mathematicians story is presented in the full context of the struggle with the cipher including the complex interplay between codebreakers military commanders and politicians of the UK US Poland France and the Third Reich By looking at events through the eyes of a cryptologist rather than solely as a historian the reader is given a glimpse into the backstage of the cryptologic workshop a better understanding of the scale and nature of the challenges codebreakers faced and insights into their responses to those challenges as well as the emotions dilemmas disappointments and triumphs involved
