

# Donkeys Ears Ago

**Paule Marshall**

## **Donkeys Ears Ago:**

**Up the Years from Bloomsbury** George Arliss,1927      **The Stroke of Midnight** Jenna Ryan,2011-07-15 Secrets and late nights were as much a part of the man as his badge and black leather Detective Riker was six feet tall with a lithe body and dark eyes that gave new meaning to the word seductive He was an intriguing package concealing something behind an emotional barricade And while Devon Tremayne was sure she could trust him with her safety she couldn t be certain about her heart A serial murderer had targeted Devon as the next victim and promised to strike at midnight on the eve of Christmas Posing as an undercover cop was the only way Riker could expose the killer and protect Devon But could Riker control his mounting desire for Devon before Christmas came      *The Amateur Photographer & Photography* ,1923      *The Fellowship of Song* Ginette Dunn,2015-12-22 Originally published in 1980 Song is perhaps the strongest form of traditional culture Its vigour and energy represent the power of the community from which it springs This book focuses on traditional singing in two small English villages It studies in detail an activity which goes to the core of the communal life in any village and demonstrates how song becomes the lifeblood of the traditions of rural life In many ways traditional singing is highly subversive because its practice is an affirmation of community and a denial of the fragmentation of modern society The songs sung those remembered the singers now dead whose lives are recalled each time an old favourite is performed all connect the present with the past The primary aesthetic concern within these singing traditions is that a man should sing whatever the objective quality of his performance and a song should tell a good story The individual singer assumes a special role in performance since he becomes spokesman for a group and gives voice not only to personal but also to social concerns dynamics and emotions      **The Return of Alfred** Herbert George Jenkins,1922      *The Timberman* ,1910      Notes and Queries ,1920      **The New Age** Arthur Moore,1927      **The Passage** Vance Palmer,1928      **The Churchman** ,1904

The Chosen Place, The Timeless People Paule Marshall,1984-09-12 The chosen place is Bourneville a remote devastated part of a Caribbean island the timeless people are its inhabitants black poor inextricably linked to their past enslavement When the advance team for an ambitious American research project arrives the tense ambivalent relationships that evolve between natives and foreigners black and whites have and have nots keenly dramatize the vicissitudes of power An important and moving book Marshall is as wise as she is bold for in compromising neither her politics nor her understanding of people she makes better sense of both Village Voice      Proceedings and Resolutions, with Brief Description of Tours British Empire forestry conference (2nd : 1923 : Ottawa),1927      **The New Partridge Dictionary of Slang and Unconventional English** Tom Dalzell,Terry Victor,2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge s brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English

speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean, emphasis on post-World War II slang and unconventional English, published sources given for each entry often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years. Over 1,000 new entries from the US, UK and Australia. New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.
