Featuring every review Ebert wrote from January 2001 to mid June 2003 this treasury also includes his essays interviews film festival reports and In Memoriams along with his famous star ratings [Time](#) Briton Hadden, Henry R. Luce, 2003 **The Dancer Upstairs** Nicholas Shakespeare, 1995 **The Deal** Alex Miller, 2024-10-01 A powerful and perceptive novel from two time Miles Franklin Award winner Alex Miller Miller has created a body of writing that is now acknowledged as one of the great Australian literary achievements of the past half century Morag Fraser It s 1975 and at the threshold of his writing career Andy McPherson is navigating how to be fully present both for his partner Jo and their young daughter When forced to take a part time teaching job Andy meets Lang Tzu a charismatic and intriguing man Andy is drawn deeper into a dangerous relationship when Lang asks him to prove his friendship by brokering a risky deal for a much desired piece of art Andy finally consents despite Jo s opposition In the process Andy is in fact negotiating his own deal with himself as an artist and is compelled to face up to the conflict between his conception of art as a creative gift and the realities of the art market Powerful and perceptive Miller s profound and intimate depiction of Jo and her partnership with Andy and his poignant portrait of Lang s troubled genius form the beating heart of this beautiful novel Praise for A Brief Affair by Alex Miller a moving study of the value of both writing and reading In many ways it is a distillation of all of Miller s invaluable fiction The Guardian There s a seductive languid poetry to Alex Miller s writing that gently lulls the reader into his world and makes it a place you never want to leave There we are surrounded by a melange of sights sounds smells and most importantly characters a place that is at once embracing and poignantly thought provoking Australian Women s Weekly **Roger Ebert's Movie Yearbook 2006** Roger Ebert, 2005-11 Now fully updated this annual yearbook includes every review Ebert had written from January 2007 to July 2009 It also includes interviews essays tributes and all new questions and answers from his Questions for the Movie Answer Man columns *Crime Time - Prime Time - Global Time* Susanne Fendler, Ute Fendler, 2004 [Max](#) Alex Miller, 2020-09-29 An astonishing moving tribute to Alex s friend Max Blatt that is at once a meditation on memory itself on friendship and a reminder to the reader that history belongs to humanity SHORTLISTED FOR THE NATIONAL BIOGRAPHY AWARD Max is haunted by devastating insights Blatt told Miller that the hardest part of torture was the realisation that the torturer was also your brother It is the same generosity that makes Max such a compelling argument against narrowness and division Blatt s life has deep and wide ramifications Miller s intelligent love has created a tale for the ages The Age This book so beautifully evokes the power of places in shaping our consciousness and perception As readers of Alex Miller we feel ourselves to be in the presence of a great heart and a penetrating sensibility and in the thrall of one of our nation s most beloved writers Tom Griffiths Emeritus Professor of History ANU Max tells of Alex Miller s search in turns fearful and elated for the elusive past of Max Blatt a man he loves who loved him and who taught him that he must write with love Miller discovers that he is also searching for a defining part of himself formed by his relation to Max Blatt but whose significance will remain obscure until he finds Max complete in his history With Max Miller the novelist

has written a wonderful work of non fiction as fine as the best of his novels Always a truth seeker he has rendered himself vulnerable unprotected by the liberties permitted to fiction Max is perhaps his most moving book a poignant expression of piety true to his mentor s injunction to write with love Raimond Gaita award winning author of Romulus My Father I began to see that whatever I might write about Max discover about him piece together with those old shards of memory it would be his influence on the friendships of the living that would frame his story in the present According to your 1939 Gestapo file you adopted the cover names Landau and Maxim The name your mother and father gave you was Moses We knew you as Max You had worked in secret From an early age you concealed yourself like the grey box beetle in the final country of your exile maturing on its journey out of sight beneath the bark of the tree You risked death every day And when at last the struggle became hopeless you escaped the hell and found a haven in China first and then Australia where you became one of those refugees who in their final place of exile chose not death but silence and obscurity Alex Miller followed the faint trail of Max Blatt s early life for five years Max s story unfolded slowly at first from the Melbourne Holocaust Centre s records then to Berlin s Federal Archives From Berlin Miller travelled to Max s old home town of Wroclaw in Poland And finally in Israel with Max s niece Liat Shoham and her brother Yossi Blatt at Liat s home in the moshav Shadmot Dvora in the Lower Galilee the circle of friendship was closed and the mystery of Max s legendary silence was unmasked Max is an astonishing and moving tribute to friendship a meditation on memory itself and a reminder to the reader that history belongs to humanity

A Kind of Confession Alex Miller, 2023-11-28 A deeply personal behind the scenes exploration of Alex Miller s six decade writing life SHORTLISTED FOR THE PRIME MINISTER S LITERARY AWARDS A Kind of Confession is a secret look into Alex Miller s writing life spanning sixty years of creativity and inspiration As a young man in 1961 Miller left his work as a ringer in Queensland and set out to achieve his dream of becoming a serious novelist It was not until 1988 that his first novel Watching the Climbers on the Mountain was published Twelve more novels would follow all bestsellers many published internationally This selection from his notebooks and letters makes it exhilaratingly evident that Miller has been devoted to finding and telling stories that are profound substantial and entertaining stories that capture both intellect and emotion Miller s fascinating life is told in a personal behind the scenes exploration of his struggle to become a published writer his determination his methods of creative thought and the sources of his inspiration His writing sometimes in anger and despair sometimes with humour and joy whether created for publication or for private meditation is alive with ideas moral choices commentary encouragement criticism and love
