Danger Forward

Alexandre Dumas, Auguste Maquet

Danger Forward:

Doctor Danger Forward Allen N. Towne, 1999-12-15 As a combat medical aidman of Company B 1st Medical Battalion First Infantry Division Allen N Towne experienced some of the pivotal events of World War II Doctor B as his unit was known was attached to the 18th Regimental Combat Team and moved with them providing continuous close medical support Covering both little known engagements and such historic moments as the campaign in Sicily and the D Day landings at Omaha Beach this book is both a memoir and a history of one of the war's most impressive units The text is based on both official morning reports and the author's personal notes providing accuracy as well as human insight In Doctor Danger Forward danger forward was the code name of the First Division headquarters Towne who received the Bronze Star and Oak Leaf Cluster for his heroism at Omaha Beach and Normandy chronicles events both epic and intimate profoundly serious as well as humorous There are numerous maps and photographs including many taken by the author **Danger Forward** H. R. Knickerbocker, Jack Thompson, Jack Belden, 2013-10 This is a new release of the original 1947 edition Danger Forward Society of the First Division, A.E.F., 1948 **An Enemy Such as This** David Correia, 2022-04-26 The remarkable true story of an Indigenous family who fought back over multiple generations against the world destroying power of settler colonial violence Just weeks before police would kill him in Gallup New Mexico in March of 1973 Larry Casuse wrote that never before have we faced an enemy such as this An Enemy Such as This for the first time tells the history of that colonial enemy through the simultaneously epic and intimate story of Larry Casuse and those like him who fought against it From the genocidal Mexican war against the Apaches in the nineteenth century through the collapse of European empires in the first half of the twentieth century and culminating in the efforts of young Navajo activists and organizers in the second half of the twentieth century to confront settler colonialism in New Mexico the book offers a resolutely Native focused history of colonialism The Big Red One James Scott Wheeler, 2017-06-16 No mission too difficult no sacrifice too great Duty First For a century from the Western Front of World War I to the wars of the 21st century this motto has spurred the soldiers who wear the shoulder patch bearing the Big Red One In this comprehensive history of America's 1st Infantry Division James Scott Wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation The Centennial Edition adds new chapters on peacekeeping missions in the Balkans 1995 2004 and the wars in Iraq and Afghanistan 2001 2017 along with a new introduction and conclusion The oldest continuously serving division in the U S Army the Fighting First has consistently played a crucial role in America's foreign wars It was the first American division to see combat and achieve victory in World War I One of the few intact divisions between the wars it was the first army unit to train for amphibious warfare During World War II the First Division spearheaded the invasions of North Africa and Sicily before leading the Normandy invasion at Omaha Beach and fighting on deep into Germany By war's end it had developed successful combined arms regimental combat teams and made advances in night operations Wheeler describes the First

Division's critical role in postwar Germany and as the only combat division in Europe during the early Cold War. The division fought valiantly in Vietnam for five trying years while pioneering air mobile operations. It led the liberation of Kuwait in Desert Storm. Along the way Wheeler illuminates the division's organizational evolution, its consistently remarkable commanders and leaders, and its equally remarkable soldiers. Meticulously detailed and engagingly written, **The Big Red One** nimbly combines historical narrative with astute analysis of the unit's successes and failures so that its story reflects the larger chronicle of America's military experience over the past century. Published in collaboration with the Cantigny First Division Foundation and the Cantigny Military History Series, edited by Paul H. Herbert.

Danger Forward: The Story of the First Division in World War II Col. S. B. Mason, 2016-07-26. No mission too difficult, no sacrifice too great, duty first. The motto of the First Division. The heroic, hard-fought history of the Big Red One is recorded by the men who fought in the campaigns across North Africa and Europe. A regular army unit, the First Infantry Division was one of the first combat formations to move overseas in WWII. Overseas 7 August 1942. Campaigns: Algeria, French Morocco, Tunisia, Sicily, Normandy, Northern France, Rhineland, Ardennes, Alsace, Central Europe. Days of Combat: 443. The 1st Infantry Division saw its first combat in World War II in North Africa, landing at Oran and taking part in the initial fighting 8-10 November 1942. Elements then took part in see-saw combat at Maktar, Medjez el Bab, Kasserine Pass, Gafsa, El Guettar, Beja, and Mateur 21 January-9 May 1943, helping secure Tunisia. The First was the first ashore in the invasion of Sicily 10 July 1943, it fought a series of short, fierce battles on the island's tortuous terrain. When that campaign was over, the Division returned to England to prepare for the Normandy invasion. The First Division assaulted Omaha Beach on D-Day 6 June 1944, some units suffering 30 percent casualties in the first hour and securing Formigny and Caumont in the beachhead. The Division followed up the St. L breakthrough with an attack on Marigny 27 July 1944 and then drove across France in a continuous offensive, reaching the German border at Aachen in September. The Division laid siege to Aachen, taking the city after a direct assault 21 October 1944. The First then attacked east of Aachen through Hürtgen Forest, driving to the Roer and moving to a rest area 7 December for its first real rest in 6 months of combat when the von Rundstedt offensive suddenly broke loose 16 December. The Division raced to the Ardennes and fought continuously from 17 December 1944 to 28 January 1945, helped blunt and turn back the German offensive. Thereupon the Division attacked and again breached the Siegfried Line, fought across the Roer 23 February 1945, and drove on to the Rhine crossing at the Remagen bridgehead 15-16 March 1945. The Division broke out of the bridgehead, took part in the encirclement of the Ruhr Pocket, captured Paderborn, pushed through the Harz Mountains, and was in Czechoslovakia at Kinsperk, Sangerberg, and Mnichov when the war in Europe ended. Richly illustrated with 115 photos and 19 maps.

Rangers at War Shelby L. Stanton, 2011-07-06. Shelby Stanton has emerged as the leading military historian on the war in Southeast Asia. COL CHARLES B. MACDONALD, Author of COMPANY COMMANDER and A TIME FOR TRUMPETS. One of the toughest and most challenging jobs in Vietnam was to be a U.S. Army Ranger running Long Range

Reconnaissance Patrols The LRRPs took volunteers only and training was designed to weed out all but the best What emerged was an elite outfit of warriors in the finest sense of the word Now Shelby Stanton renowned military authority on the war in Southeast Asia presents the first and only definitive history of the LRRPs and the U S Army Rangers in Vietnam They re all here the Screaming Eagle Patrollers Cochise Raiders Charlie Rangers Cobra Lightning Patrollers and more

Rat Six Jack Flowers,2018-08-07 Based on a true story Rat Six tells the story of Clifford Price who like hundreds of thousands of other young men in the 1960s was drafted into the United States Army and served in Vietnam Price was from Indiana where he was a college student who had recently returned from a year studying abroad in Denmark He came from a long line of soldiers his two grandfathers served in the First World War and his father in the Second Vietnam proved to be his turn to fight Little did he know that his war would not only be a conflict on the battlefield but a conflict in his mind Torn between his anti war sentiments which had been reinforced by his year abroad and the proud heritage of his forefathers Price had to choose between right and wrong survival and death love and war Having been a commissioned officer in the Army Corps of Engineers shortly after being drafted and selected for Officer s Candidate School Price ended up in Vietnam in 1968 After three months of commanding a platoon of bridge builders mine sweepers and truck drivers Price was offered the job of Rat Six one of the most dangerous assignments in the war Rat Six was the code name for the leader of the First Infantry Division Tunnel Rats The Tunnel Rats were some of the most courageous soldiers to fight in Vietnam All were volunteers slightly built cunning rebellious trained in demolitions and dedicated to ferreting out the enemy below In the beginning of the war entering a tunnel with only a flashlight and a pistol was almost suicidal Over time the Army learned to successfully navigate the underground labyrinths retrieve vital intelligence and destroy the tunnels The most organized of the Tunnel Rat teams in Vietnam was that of the First Infantry Division s First Engineer Battalion The team was led almost from the beginning by Sergeant Robert Bateman a crusty hard nosed non commissioned officer from New Jersey He was dubbed Batman by his men and his reputation spread far and wide He became even more famous among the enemy of whom he had killed many than among other warriors in the Army Batman was on the Viet Cong s 10 Most Wanted List which included the most prominent generals and not one other non commissioned officer Lieutenant Price was put in charge of the team and the conflict with Batman was immediate Although there was no rank underground Rat Six and Batman slowly built a mutual trust and the team s exploits and reputation grew even more Harrowing missions and close calls engulfed the two men and their team The tunnels were the setting and the enemy inside was just as fearsome as the men who pursued them After four months of working together Batman was sent home after his fourth reenlistment for Vietnam was denied Suddenly Price was alone and vulnerable The fear became insurmountable climaxing on his last mission Rat Six tells one of the most important yet little known stories of Lieutenant Clifford Price and his men They were known as the Tunnel Rats and their courageous exploits during the war in Vietnam are breathtaking and extraordinary *Romances* Alexandre Dumas,1896

Desert Redleg L. Scott Lingamfelter, 2020-05-19 When Saddam Hussein's Iraq invaded Kuwait in August 1990 triggering the First Gulf War a coalition of thirty five countries led by the United States responded with Operation Desert Storm which culminated in a one hundred hour coordinated air strike and ground assault that repelled Iraqi forces from Kuwait Though largely forgotten in descriptions of the war an eight day barrage of artillery fire made this seemingly rapid offensive possible At the forefront of this offensive were the brave field artillerymen known as redlegs In **Desert Redleg Artillery Warfare in the First Gulf War** a veteran and former redleg of the 1st Infantry Division Artillery otherwise known as the Big Red One Col L Scott Lingamfelter recounts the logistical and strategic decisions that led to a coalition victory Drawing on original battle maps official reports and personal journals Lingamfelter describes the experience of the First Gulf War through a soldier's eyes and attempts to answer the question of whether the United States got the job done in its first sustained Middle Eastern conflict Part military history part personal memoir this book provides a boots on the ground perspective on the largest US artillery bombardment since World War II
