

Dangerous Run

William John Tossell

Dangerous Run:

Danish Dynamite Rob Smyth, Lars Eriksen, Mike Gibbons, 2014-04-24 The story of the coolest international football team in history the 1980s Danish national team told for the first time in English The Denmark side of the 1980s was one of the last truly iconic international football teams Although they did not win a trophy they claimed something much more important and enduring glory and in industrial quantities They were a bewitching fusion of futuristic attacking football effortless Scandinavian cool and laid back living They played like angels and lived like you and I and they were everyone's second team in the mid 1980s The story of Danish Dynamite as the team became known is the story of a team of rock stars in a polyester Hummel kit Hailing from a country with no real football history to speak of and a population of five million this humble and likeable team was unique Everyman off the field and superheroes on it they were totally of their time and their approach to the game was in complete contrast to the gaudy excess and charmless arrogance of today's football stars That they ultimately imploded in spectacular style with a shocking 5-1 defeat to Spain in the 1986 World Cup in a game that almost everyone expected them to win only adds to their legend For the first time in English Danish Dynamite tells the story of perhaps the coolest team in football history a team that had it all and blew it in spectacular style after a live fast die young World Cup campaign Featuring interviews with the players themselves including Michael Laudrup Preben Elkjær and Jesper Olsen as well as with those who played or managed against them this is a joyous celebration of one of the most life affirming teams the world has ever seen

The Northwestern Reporter, 1907 **Paddling Alabama** Joe Cuhaj, Curt Burdick, 2021-06-01 From the Appalachian highlands to the Gulf Coast this updated and revised guide offers opportunities for kayakers canoers rafters rowers and water adventurers of every interest and ability level Each paddle destination is described in detail with maps for specific routes waterway overviews and paddle descriptions to prepare paddlers for whatever is just beyond each river bend **Maine**

Reports Maine. Supreme Judicial Court, 1888 **The Danger Zone Is Everywhere** George Lipsitz, 2024-08-27 Compellingly argues that good health is as much social as it is biological and that the racial health gap and the racial wealth gap are mutually constitutive The Danger Zone Is Everywhere shows that housing insecurity and the poor health associated with it are central components of an unjust destructive and deadly racial order Housing discrimination is a civil and economic injustice but it is also a menace to public health With this book George Lipsitz reveals how the injuries of housing

discrimination are augmented by racial bias in home appraisals and tax assessments by the disparate racialized effects of policing sentencing and parole and by the ways in which algorithms in insurance and other spheres associate race with risk But *The Danger Zone Is Everywhere* also highlights new practices emerging in health care and the law emphasizing how grassroots community mobilizations are creating an active and engaged public sphere constituency promoting new forms of legislation litigation and organization for social justice
