Another Language Selected Poems:

Another Language Rosmarie Waldrop,1997 Waldrop deserves and receives enormous respect from her peers Anyone interested in the current look of the American avant garde and its future would do well to begin here [Love in Another Language](#) Dick Davis,2017-11-30 In Love in Another Language Dick Davis is shown to be the outstanding formal poet of his generation a master of rhyme and metre a poet worthy of keeping company with the best lyric writers in our tradition His Collected Poems draws on eight previous publications and includes a section of new work Davis has also established himself as the leading translator of Persian literature in our time Washington Post and this volume includes a selection of his celebrated translations Davis s original poems evoke the experiences of travel and of living in a culture in which one is a stranger where empathy is at once difficult and necessary His translations can be read as a record of his attempts at such empathy in poetic terms across centuries and cultures [SELECT POEMS](#) John M. Bennett,2016 Poetry Visual Poetry A selection from over 40 years of Bennett s work introduced by Ivan Arg elles Where to begin writing about this baffling and certainly most avant garde of all poets living and working in the USA today Bennett s reputation is international and his interest in Mesoamerican culture has drawn him frequently to that part of the world where he is a recognized figure His experimentations over the years have encompassed multiple techniques including visual poetry and his own polyglottery moving in and out of English Spanish Portuguese French or some Mesoamerican language What may seem aleatory is in fact more intentional and grounded than is first apparent Bennett has roots in traditional literatures those of Siglo de Oro Spain and of Elizabethan England but he is capable of transducing those literatures metamorphosing them by way of the avant garde movements of the 20th century into something utterly innovative and New such as few contemporary artists have done
