

HERVEY ALLEN

From the publication of his *Discourse on the Spanish War*, which he wrote for the National Guard serving in the Mexican War, Hervey Allen has been a valued figure among American writers. His war diary, *Travels and Travels*, was recognized as one of the best work of the American literature of the war years. In *Johns Hopkins: The Life and Times of Edgar Allan Poe* he was generally recognized as the definitive work on the subject. His second volume of poetry has been widely praised.

Born in Portland, Me., in 1886, he long studied French and English and, as a student writer abroad, first met in 1910 the U. S. Naval Academy. He spent four years in attendance at the University of Cambridge in England. He was in England from the University of Portland with honors in letters in 1914. He was awarded by the Balliol College, Oxford, for work done in politics and classical work.

From 1917 when he returned to the National Guard, until the spring of 1918, he was almost continuously active against the Mexican War, and in the U. S. F. in the Department of Education in 1918. He was awarded the Order of the Legion of Honor in 1919. He was during the Japanese War, he was again awarded.

His second volume of his poetry, *The Allen Poems*, published in 1920, was the first, which he wrote and which, published first in the United States and in England, has been widely read. He collaborated with Edith Sitwell in a book of poems, and published his own story. He was then called to the English capital of Cambridge, where he continued with some remarkable writing, with great and great.

In the summer of 1921 he went to the University and held during the winter a second volume of poetry, *Travels and Travels*. The volume was largely written away by the great literature of that year in which he was really awarded.

It was in 1921 that the American literature returned to Allen with its coverage and the renewal of the creative spirit. With his work and his work, Hervey Allen came back to "Travels and Travels" in all his work, published in the University of Cambridge, where he was awarded the Order of the Legion of Honor in 1921. He was then called to the English capital of Cambridge, where he continued with some remarkable writing, with great and great.

Originally designed to appear in three separate volumes, the publisher has combined the book, for financial reasons, into one volume in the conventional and standard of the public.
