Cartoons for Thinking Joseph P. Hester, Ruth Albert Spencer, Don R. Killian, 1984-06-01 Media Ethics Clifford G. Christians, Mark Fackler, Kathy Richardson, Peggy Kreshel, Robert H. Woods, 2015-07-17 Media Ethics Cases and Moral Reasoning Ninth Edition challenges students to think analytically about ethical situations in mass communication by using original case studies and commentaries about real life media experiences This market leading text facilitates and enhances students ethical awareness by providing a comprehensive introduction to the theoretical principles of ethical philosophies Media Ethics introduces the Potter Box which uses four dimensions of moral analysis definitions values principles and loyalties to provide a framework for exploring the important steps in moral reasoning and analyzing the cases that follow Focusing on a wide spectrum of ethical issues facing media practitioners the cases in this new Ninth Edition include the most recent issues in journalism broadcasting advertising public relations and entertainment **School-age Ideas and Activities for After School Programs** Karen Haas-Foletta, Michele Cogley, 1990 This volume contains activities games and recipes that are program tested and are appropriate to use in after school programs for children 5 12 years old In addition the authors have included information on topics such as how people learn the significance of play staff recruitment retention programming for middle school children communicating effectively with parents guiding children s behavior creating effective shared space managing successful group time planning a summer camp program for middle school children and hints for successful field trips **Self Esteem in the Classroom** Lila Swell, 1991 **Ethics in the Science and Technology Classroom** , 2010-01-01 This edited book on ethics represents the outcomes of an international collaborative project that examined the role and place of bioethics in science and technology curricula As science and technology advance ethical issues increasingly are brought to the fore not only both for scientists and technologists but also for the general public Science and technology education also reflects this shift and thinking and teaching about ethics in the school curriculum has increased A greater emphasis is being placed on society s general scientific and technological literacy and this includes an understanding of socio scientific issues including ethical decision making Although this book has a focus on ethics in the school science and technology curriculum we believe it will also prove useful for those thinking about ethical decision making in a range of contexts outside of the school sector The book will prove useful for University lecturers teachers curriculum developers and policy makers and those that are involved in science and technology decision making more broadly *El-Hi Textbooks & Serials in Print* Bowker Editorial Staff, 2004-02 **Newsire** , 1995

Think/Point/Shoot Annette Danto, Mobina Hashmi, Lonnie Isabel, 2016-10-04 Think Point Shoot gives students a thorough overview of the role of ethics in modern media creation Case studies emphasize the critical issues in global media ethics today in all stages of media creation from preproduction research and development to production and post production This volume features practicing filmmakers journalists and media creators who provide insight into dealing with real world

ethical dilemmas For this era digital imagery sounds and web communication have opened doors to sharing thoughts and ideas instantaneously to potentially vast audiences This presents exciting opportunities but also serious ethical legal and social challenges The cases and exercises found in this book are applicable to the current media field while still remaining grounded in strong ethical theory Think Point Shoot explains the challenge of communicating a story to a worldwide audience while maintaining ethical standards A companion website provides additional resources for students and instructors media ethics game chapter summaries and case studies important forms Instructors will also find classroom exercises PowerPoints video from the Global Media Ethics Conference from March 2013 **Subject Guide to Books in Print** ,1975

Ethics in Physical Therapy: Overview of ethical issues in physical therapy American Physical Therapy Association,1998 **The Place of Ethics in Science Education** Amanda McCrory,Michael J. Reiss,2023-08-24 Science education particularly school science education has long had an uneasy relationship with ethics being unsure whether to embrace ethics or leave it to others In this book the authors argue that while the methods of science and of ethics are very different ethics plays a key role in how science is undertaken and used And so ethics has a central place in science education whether we are talking of school science education for students of all ages or the informal science education that takes place in through internet books magazines TV and radio or in places such as hospitals and zoos Written for science educators based in schools and elsewhere the authors make no assumptions that the reader has any knowledge of ethics beyond the background understandings of morality that virtually all of us have Empowered with the knowledge shared in this book readers will feel confident about the place that ethics has in science education The authors provide a rich array of examples as to how science education both in school and out of school and for all ages can be enhanced through including teaching about ethics **El-Hi Textbooks & Serials in Print, 2005** ,2005 *The School Science Review* ,2004 **El-Hi Textbooks & Serials in Print, 2003** ,2003 Books in Print ,1994 Books in Print Supplement ,1984 **Medicine, Medical Ethics and the Value of Life** Peter Byrne,1990-01-05 This volume in the King s College London Studies in Medical Law and Ethics series covers a wide range of issues euthanasia abortion embryo research and fetal transplantation the teaching of medical ethics AIDS and sex selection while focusing on a series of related themes Contributors to this collection of essays include doctors lawyers theologians and philosophers and their viewpoints will be of immense interest to a wide range of professionals in related fields and or students of medicine philosophy and nursing **JOURNAL OF BUSINESS RESE** ,1996 The Legal and Regulatory Environment of Business Robert Neil Corley,1999 **Computers, Ethics & Social Values** Deborah G. Johnson,Helen Fay Nissenbaum,1995 A comprehensive anthology of readings on computers and ethical issues surrounding their use Can be used as a core book or supplemental readings in Computer Ethics or Computers and Society subjects
