

The Case of the Substitute Face

C. Waker Moar used to be book-keeper to the Products Refining Company, Los Angeles; then one day he walked out and the office missed twenty-five thousand dollars. Mrs Moar sought Perry Mason's help on a journey from Honolulu to the United States mainland, and Perry got to know the other travellers – their pretty daughter Belle, two other girls, a man with a broken neck, and a millionaire. Then things started to happen – a storm, a murder, a man washed overboard, and an accusation that launched the lawyer-detective into battle as soon as the ship docked. Bluffing, threatening, and fighting with a typical disregard for the niceties of the law, he rushes his adversaries onward to a brilliant cross-examination and the dramatic end of the story.
