

# Attending To Work

**Paul K. Edwards, Colin Whitston**

## **Attending To Work:**

*Organization and Work of the Department of Census and Attendance Denver Public Schools, 1924* *Attending to Work* Paul K. Edwards, Colin Whitston, 1993-01-01 The reconstruction of order and discipline on the shop floor has been a major theme in recent debates on the management of labour *Attending to Work* breaks new ground in two important ways First it focuses on a surprisingly neglected issue the management of attendance As well as looking at issues such as flexibility within the workplace managers need to know how workers are persuaded to attend in the first place It is also a major indicator of wider changes The ways in which attendance is controlled sends messages to workers about how their employers regard them These messages have even more impact on daily behaviour than new communications or payment systems Secondly unlike many studies which rely on discussions with few if any workers *Attending to Work* draws on detailed interviews with over 300 workers It shows how changing the managerial policies has altered or has failed to alter workers attitudes and behaviour Based on four case studies including the public and private sectors and white collar as well as blue collar workers Edwards and Whitston show how the regulation of work has been changing in a variety of settings

**Organizational Culture and Ethics in Modern Medicine** Rosiek, Anna, 2015-11-13 Technological developments and improved treatment methods have acted as an impetus for recent growth and change within the medical community As patient expectations increase and healthcare organizations have come under scrutiny for questionable practices medical personnel must take a critical look at the current state of their operations and work to improve their managerial and treatment processes *Organizational Culture and Ethics in Modern Medicine* examines the current state of the healthcare industry and promotes methods that achieve effective organizational practice for the improvement of medical services in the public and private sphere Focusing on patient communication technology integration healthcare personnel management and the delivery of quality care this book is a pivotal reference source for medical professionals healthcare managers hospital administrators public health workers and researchers interested in improving patient and employee satisfaction within healthcare institutions

**Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board, 1958 **Report ...** New South Wales. Department of Education, 1902 [Reports of Selected Civil and Criminal Cases Decided in the Court of Appeals of Kentucky](#) Kentucky. Court of Appeals, James Hughes, Achilles Sneed, Martin D. Hardin, Alexander Keith Marshall, William Littell, Thomas Bell Monroe, John James Marshall, James Greene Dana, Benjamin Monroe, James P. Metcalfe, Alvin Duvall, William Pope Duvall Bush, John Rodman, Edward Warren Hines, 1912 *Human Resource Management* Derek Torrington, Laura Hall, Carol Atkinson, Stephen Taylor, 2020 For undergraduate business and management courses as well as CIPD accredited courses Develop skills to put theory into practice using academic research and current issues *Human Resource Management* 11th Edition by Torrington Hall Taylor and Atkinson is praised for its comprehensive scope of topics coverage of important HRM issues and succinctness It is a great introduction to human

resources for students pursuing undergraduate business and management courses as well as those on CIPD accredited courses Human resource management helps those aspiring to or working in HR or management
