Augustus Caesar Tammy Gagne, 2014 Augustus Caesar was Rome s first emperor but exactly how he came to claim that title is a long and exciting story It begins in Rome in 63 BCE when a baby boy named Gaius Octavius Thurinus is born During his lifetime he would be known by several other names but none so celebrated as Augustus The nephew of Julius Caesar Augustus inherited his role as leader of Rome But blood would not be enough to retain the title He would have to fight for it and fight he did Emerging victorious against all those who tried to usurp his power Augustus became one of the most powerful men in not just Rome but the Juvenile Nonfiction History General BISAC of the world

Augustus Adrian Goldsworthy, 2014-08-28 The acclaimed historian and author of *Caesar* presents a first rate popular biography of Rome s first emperor written with a storyteller s brio Washington Post The story of Augustus life is filled with drama and contradiction risky gambles and unexpected success He began as a teenage warlord whose only claim to power was as the grand nephew and heir of the murdered Julius Caesar Mark Antony dubbed him a boy who owes everything to a name but he soon outmaneuvered a host of more experienced politicians to become the last man standing in 30 BC Over the next half century Augustus created a new system of government the Principate or rule of an emperor which brought peace and stability to the vast Roman Empire In this highly anticipated biography Goldsworthy puts his deep knowledge of ancient sources to full use recounting the events of Augustus long life in greater detail than ever before Goldsworthy pins down the man behind the myths a consummate manipulator propagandist and showman both generous and ruthless Under Augustus rule the empire prospered yet his success was constantly under threat and his life was intensely unpredictable
