The Cat Postcard Book Running Press,Running Press Staff,1987-03 Cat Postcard Collection RH Disney Staff,Random House,Random House Staff,1993-08-01 The Photographed Cat Arnold Arluke,Lauren Rolfe,2013-09-27 With more than 130 illustrations The Photographed Cat Picturing Close Human Feline Ties 1900 1940 is both an archive and an analytical exploration of the close relationships between Americans and their cats during a period that is significant for photography and for modern understandings of animals as pets This volume examines the cultural implications of feline companions while also celebrating the intimacy and joys of pets and family photographs In seven thematic sections Arluke and Rolfe engage with the collection of antique images as representations of real relationships and of ideal relationships noting the cultural trends and tropes that occur throughout this increasingly popular practice Whether as surrogate children mascots or companions to women cats are part of modern American life and visual culture Entertaining smart and filled with a collector s trove of wonderful images The Photographed Cat pays homage to the surprising range of relationships we have with cats and offers thoughtful consideration of the ways in which we represent them City Cat Alfred Gescheidt,1989-11-01 *Discrete Mathematics with Ducks* Sarah-Marie Belcastro,2018-11-15 *Discrete Mathematics with Ducks* Second Edition is a gentle introduction for students who find the proofs and abstractions of mathematics challenging At the same time it provides stimulating material that instructors can use for more advanced students The first edition was widely well received with its whimsical writing style and numerous exercises and materials that engaged students at all levels The new expanded edition continues to facilitate effective and active learning It is designed to help students learn about discrete mathematics through problem based activities These are created to inspire students to understand mathematics by actively practicing and doing which helps students better retain what they ve learned As such each chapter contains a mixture of discovery based activities projects expository text in class exercises and homework problems The author s lively and friendly writing style is appealing to both instructors and students alike and encourages readers to learn The book s light hearted approach to the subject is a guiding principle and helps students learn mathematical abstraction Features The book s Try This sections encourage students to construct components of discussed concepts theorems and proofs Provided sets of discovery problems and illustrative examples reinforce learning Bonus sections can be used by instructors as part of their regular curriculum for projects or for further study *The Mail-order Cat* Alan Benjamin,Barbara Blitzer,1985 **Postcard Cats** Libby Hall,Tom Phillips,2005-11 *Postcard Cats* brings together over 225 beguiling cats from vintage postcards conveying the more gently sentimental mood of the first half of the twentieth century In a parade of felines which range from the exotic to the demotic the spectacular to the vernacular we can either guess at the stories that lie behind these private photographic cards of nameless cats with their anonymous owners or smile at the antics of kittens in the studios of commercial photographers Or indeed merely wonder at the cat that finds safe refuge in the barrel of a ship s gun

This is a stunning companion to the much praised Postcard Dogs by Libby Hall who here joins forces with artist and fellow postcard enthusiast Tom Phillips Between them they have left no card unturned in the search for quintessential cats and images emblematic of that strange and touching bond that has existed between the feline and the human animal for ten thousand years **Funny Cats Postcard Book** J.C. Soares,1996-08-01 The perfect gift for animal lovers everywhere these unique books abound with adorable cats and dogs on postcards that are easily removed for mailing 30 postcards
