official facilities for my journey It happened just then that the Stage Society gave a performance of this little play It opened the heart of every official to me I have always been treated with distinguished consideration in my contracts with bureaucracy during the war but on this occasion I found myself persona grata in the highest degree There was only one word when the formalities were disposed of and that was We are up against Augustus all day The showing up of Augustus scandalized one or two innocent and patriotic critics who regarded the prowess of the British army as inextricably bound up with Highcastle prestige But our Government departments knew better their problem was how to win the war with Augustus on their backs well meaning brave patriotic but obstructively fussy self important imbecile and disastrous Save for the satisfaction of being able to laugh at Augustus in the theatre nothing as far as I know came of my dramatic reduction of him to absurdity Generals admirals Prime Ministers and Controllers not to mention Emperors Kaisers and Tsars were scrapped remorselessly at home and abroad for their sins or services as the case might be But Augustus stood like the Eddystone in a storm and stands so to this day He gave us his word that he was indispensable and we took it *Augustus Does His Bit* Dan H. The Inca of Perusalem, Augustus Does His Bit, and Annajanska, the Bolshevik Empress George Bernard Shaw,2011 George Bernard Shaw 1856 1950 is revered as one of the great British dramatists credited not only with memorable works but the revival of the then suffering English theatre Shaw was born in Dublin Ireland left mostly to his own devices after his mother ran off to London to pursue a musical career He educated himself for the most part and eventually worked for a real estate agent This experience founded in him a concern for social injustices seeing poverty and general unfairness afoot and would go on to address this in many of his works In 1876 Shaw joined his mother in London where he would finally attain literary success and went on to win the Nobel Prize for literature in 1925 He used the stage to deliver messages to his audiences in the hope of bettering society Shaw s vision was not just to reconcile issues within his society but to encourage mankind to strive for a sort of perfection close to divinity He did not ask questions about the present but envisioned an alternate reality altogether Contained in this volume are three of Shaw s lesser known works The Inca of Perusalem Augustus Does His Bit and Annajanska the Bolshevik Empress *Augustus Does His Bit* , *Augustus Does His Bit* Bernard Shaw,2015 George Bernard Shaw was born on July 26th 1856 in Synge Street Dublin His career began modestly initially working for some years in an Estate office but a thirst for reading and knowledge moved his career to writing several novels none of which were published for several years He wrote as a critic for several years mainly on the theatre where his

campaigning helped moved Victorian theatre towards a more realistic form Shaw also took up his fervent socialist views at this point a cause he would be indelibly linked with throughout his long and productive life An initial foray into writing a play in 1885 only came to fruition in 1892 and with it his path as one of the leading playwrights of the 20th century was set Shaw was also a fervent Fabian and a co founder of the London School of Economics Saint Joan in 1923 gained Shaw yet another international success This led in 1925 to his being awarded the Nobel Prize for Literature for his contributions to literature
