from heaven Could all of her dreams finally be coming true *Almost Heaven* Bruce Durbin,2001 In the darkness of night when the stars and moon are hidden behind clouds there is often the tendency to forget that the night will soon fade and the sun will rise and chase the darkness away If you can outlast the darkness then the sun will rise When we are confronted with the darkness of troubles sorrows and pain in this life we can be assured that the resurrection of God s only begotten Son gives us the hope that Heaven awaits those who are God s children As we face obstacles trials and tests in this life there is always the hope that we re almost to our goal we re almost to Heaven **Almost Heaven** is a compilation of articles aimed at providing encouragement to those that strive toward Heaven **Almost Heaven** Michael E. W. Hurd,2009-09-24 Lyrical snapshots of the natural world In his first collection Hurd explores natures beauty in 40 short predominantly free verse poems that hone in on common natural objects and events a leaf a rock rainbows autumn etc with the cinematic quality of a director fixing no more than a single moment per scene To heighten the pictorial sense the poet includes three black and white photographs of pastoral subjects two deer a babbling brook and an exquisite fawn Though Hurds tender affinity for nature comes through in these literal and figurative images their meaning could resonate more For instance Dear One plainly describes the physical and behavioral attributes Her mane was brown Soft brown Short Sleek Beautiful to those Who beheld her of a creature unnamed until the poems closing thought She was a dear Uh Deer The four legged kind The sudden shift from straight description to casual jocularly is jarring shutting down possible suggestions conjured by earlier lines Another distracting quality found here and throughout the collection is the oppressive use of end punctuation forcing caesuras sometimes midthought as in A Leaf A leaf that endured frost High winds Rain Yet it stayed high in the tree One day It fell Leaving one to wonder Not why it fell But why it stayed so long Here a subtle point about resiliency is nearly drowned out by each lines final comma inserting poetic breaths with a practically gasping urgency When working with such clipped lines the white space on the page provides more than enough pause to allow images both to spill into one another and linger Quick nearly engaging depictions of nature that would be better served by fewer declarative statements and greater respect for the power of the poetic line *Kirkus Discoveries* *Almost Heaven* Anna Johnson,2022-01-31 Anna s book is the true story of her survival of small miracles and of her journey and change in her gift of life As a survivor she says God had another plan for her life She believes the real hero of her story is God She is also the author of *The Journal Thoughtful Moments* [International Conciliation](#) ,1912 **The American Mercury** Henry Louis Mencken,1925 [Recreation](#) ,1888 **Journal of Appalachian Studies** ,2002 **The Dictionary of National Biography, Founded in 1882 by George Smith** ,1917 **The Tribute of Praise** Eben Tourjée,1873 **The New Dispensation** Keshub Chunder Sen,1903 **From Different Standpoints** Pansy,Faye Huntington,1906
