Almost Hell:

Area 187 - Almost Hell Eric R. Lowther,2011-05-31 In the year 2007 an accident at a clandestine U S government facility in rural West Virginia releases several test subjects infected with a necrotic virus Within weeks the U S military and the Department of Homeland Security are forced to declare the bulk of the state under quarantine Seven years pass Conspiracies continue to thrive outside the now immense defensive wall and fortifications and mercenaries known as grave robbers regularly slip in and out of the Area stealing valuables and taking contracts to bring back specific items for well paying customers Our story follows Josephine Terrell a television reporter and John Heath once an Air Force search and rescue team leader that escaped the Area after five years of fruitless searching for his wife as they risk their lives from both the dead and the living inside Area 187 to rescue a group of survivors **Almost Hell** Rebecca Burdette,Rebecca G Burdette M

D,2009-09-05 Joshua a premature baby is delivered on a dilapidated picnic table in the picturesque Valley Falls State Park in the midst of West Virginia s obstetrical shortage and sky rocketing malpractice crisis The incident thrusts the state into the national limelight While Dr Suzanne Oakley chairman of the Ob Gyn department desperately tries to solve the paramount health care problem personal issues from her past emerge She reaches out to her childhood friend the governor for some assistance in the form of tort reform only to meet resistance the governor s husband is president of the trial lawyers association Dr Oakley s colleague and nationally recognized sex educator Manuel Alvarez Casilla s grief stricken behavior is disruptive to the department and creates another dimension to the already complex issues *Almost Hell* is a contemporary hybrid novel that intertwines factual information and accurate historical data through Dr Oakley s geyser like life as she attempts to solve the mountain state s medical predicament At the same time the catastrophes continue to mount A genetic wake designer babies sexual lectures psychotherapy sessions Mountaineer football and a dramatic courtroom scene contribute to the story line which takes place in wild and wonderful West Virginia **Almost Hell, Act 5 , Almost Hell**

Bruce Durbin,2002-07-03 Heaven or Hell When we are born into this world we begin to run around the spiritual reality of Heaven and Hell Satan is constantly nipping at our heels ever wanting to drag us into the eternal depths of torment Hell while God and the Saints in Heaven watch every praying that we find safety in Heaven When the waves upon waves of despair crash over you drowning you in feelings of hopelessness Satan would come to you and whisper Nobody loves you Nobody cares When you feel like you re standing alone facing a seemingly unconquerable enemy look behind you You will see the Saints that have went before You will see the people who hold you in their prayers You will see the love of God *Angel*

Town Lilith Saintcrow,2011-11-01 Jill Kismet is back from the grave in this explosive conclusion to Lilith Saintcrow s urban fantasy series She wakes up in her own grave She doesn t know who put her there she doesn t know where she is and she has no friends or family She only knows two things She has a job to do cleansing the night of evil And she knows her name Jill Kismet *The Point of View of the Universe* Katarzyna de Lazari-Radek,Peter Singer,2014-05-22 What does the idea of

taking the point of view of the universe tell us about ethics The great nineteenth century utilitarian Henry Sidgwick used this metaphor to present what he took to be a self evident moral truth the good of one individual is of no more importance than the good of any other Ethical judgments he held are objective truths that we can know by reason The ethical axioms he took to be self evident provide a foundation for utilitarianism He supplements this foundation with an argument that nothing except states of consciousness have ultimate value which led him to hold that pleasure is the only thing that is intrinsically good Are these claims defensible Katarzyna de Lazari Radek and Peter Singer test them against a variety of views held by contemporary writers in ethics and conclude that they are This book is therefore a defence of objectivism in ethics and of hedonistic utilitarianism The authors also explore and in most cases support Sidgwick s views on many other key questions in ethics how to justify an ethical theory the significance of an evolutionary explanation of our moral judgments the choice between preference utilitarianism and hedonistic utilitarianism the conflict between self interest and universal benevolence whether something that it would be wrong to do openly can be right if kept secret how demanding utilitarianism is whether we should discount the future or favor those who are worse off the moral status of animals and what is an optimum population

modern day where monotheism has increasingly failed to adequately address spiritual scientific and ethical experiences in the changing world In Part I Schneider traces a trajectory from the ancient history of monotheism and multiplicity in Greece Israel and Africa through the Constantinian valorization of the logic of the One to medieval and modern challenges to that logic in poetry and science She pursues an alternative and constructive approach in Part II a logic of multiplicity already resident in Christian traditions in which the complexity of life and the presence of God may be better articulated Part III takes up the open ended question of ethics from within that multiplicity exploring the implications of this radical and realistic new theology for the questions that lie underneath theological construction questions of belonging and nationalism of the possibility of love and of unity In this groundbreaking work of contemporary theology Schneider shows that the One is not lost in divine multiplicity and that in spite of its abstractions divine multiplicity is realistic and worldly impossible ultimately to abstract
