Dedicated To You Candy Hwa,2010-05-20 Only Human Daniel James the sole heir to his mother s business Gloria Financial Group leaves his hometown of Sydney New South Wales Australia and moves to the smaller city of Adelaide where he enrolls into University of South Australia There he meets a girl unlike any other At first sight she avoids him because he is rich and all his annoying fan girls are exceedingly loud and selfish As time goes on the girl feels drawn to Daniel When they officially start dating one obstacle just happens to get in the way Memorable Quotes We are renting this apartment We never seem to have enough money because the prices just keep rising People just want to make money they do not think twice about the disadvantaged Stalkers NEVER have happy endings Flora is right you are a VERY selfish person You want her all to yourself and not share her with anyone not even her brothers They are a family they are allowed to be together YOU RUINED EVERYTHING IN HER TIME DURING HIGH SCHOOL she is NOT safe with you around You do not allow her to do things without your supervision which is abuse and controlling behaviour If you love her you should be able to trust her You obviously do not show that you do YOU CANNOT EVEN MAKE FLORA SMILE FOR THE SEVEN YEARS YOU HAVE LOVED HER NOT EVEN ONCE he was shocked at these words Fly High Dream Hope Fly When you have a Goal fulfill it Why Because

it gives you a purpose in life Three people two boys and one girl have the most beautiful singing voices in the whole school They love singing but no one likes their songs because they do not sing English but so what If it is their dream to become singers why let others block their path to success Memorable Quotes Thanks Bradley It is not likely people will like us because we sing in different languages Why can people not accept everyone is different Because people only like what they like They do not care about what everyone else likes I was afraid that you would think I was a cry baby She answered quietly I was distracting my father from the road and he ran into another vehicle Both my parents died almost instantly from the crash and I was the sole survivor not even the other vehicle s passengers survived from the crash My parents were very lovable people they had many friends Ryan began Nearly everyone in our neighbourhood knew them We were a wealthy family that lived well with all the other wealthy people My parents were murdered by being stabbed repetitively then shot twice each There were two murderers but only one was caught The other committed suicide to avoid going into prison They deserve the prison time for taking away my parents but I have lived life as they had by doing the one thing that I am happy doing singing Murderers deserve a life sentence for murder not just a set period I want to show images of what happens at war just the like original music video to this song It would teach arrogant country leaders that war solves nothing All it does is hurt others Even though people are fighting for their countries it makes things worse by hurting others Too bad people do not listen to foreign songs A lot of foreign songs have powerful messages but people are too ignorant to give them a try Bradley proudly said Fond Memories When the love of your life forgets who you are when they wake up how would you feel Miserable or desperate to win them back before someone else did That is how Jonathan James felt It got even more difficult when his brother falls in love with the same girl Memorable Quotes Wealthy people are so arrogant Just because they can have anything they want they take advantage of that and act all high and mighty They treat everyone who is considered lower than them to be scums or people unworthy of their attention Why do people only like wealthy people They are not the best type of people anyway

Federal Bureau of Physics But if the breakdown of the laws that govern the universe has shown the world anything it's that theory and reality are two very different things For Cicero Deluca the FBP was a way to escape a life of bullying for a virtual kingdom of the nerds For Adam Hardy the FBP was a chance to find the secrets of his father a groundbreaking physicist who lost his career for telling the truth about his discoveries Protecting mankind wasn't high on either of their lists But the massive quantum tornadoes tearing across the planet may make them rethink their priorities The universe is running out of dark matter the mysterious glue that holds reality together And unless Adam and Cicero can help the FBP create more there will be no more mankind left to protect In FBP FEDERAL BUREAU OF PHYSICS AUDEAMUS writer Simon Oliver and artist Alberto Ponticelli take this saga of strange science to its darkest destination yet Collects issues 14 19
