Along Came Jones:

Along Came Jones Linda Windsor,2011-04-13 Sparks fly in a Montana ghost town when Big Apple meets Big Sky in this Christian romance Framed for a crime she didn't commit fleeing from the law and a crime syndicate New Yorker Deanna Manetti is so lost in the Montana wilderness that not even God can find her or so she thinks Just when it can't get any worse she's run off the road by a wild mustang rescued by a cowboy packing iron and carried off on horseback to the remote ghost town he calls a ranch Deanna can't help but wonder if God has abandoned her or is He just giving her a place to lay low until she can figure a way out of the mess she's in The more Deanna gets to know her handsome host the more she suspects she's jumped out of the frying pan and into the fire a blaze that may consume her heart and soul Then along came Jones Shep Jones is mildly amused at this city slicker's attitude She ought to be happy he's willing to fix her fancy sports car without calling the insurance company Before he knows it she's moved in til the work gets done but instinct tells the ex U S Marshal he's not getting all of the story Shep aims to find out what or who she's running from Can he turn away someone as lost and wounded as he was when he sought refuge in the wilderness Or will he offer Deanna the same grace God afforded him Love and laughter blossom at Buffalo Butte until the past catches up with the unlikely pair placing their love their faith and their lives in jeopardy

Along Came Jones Dixie Browning,1988 John Lee Johnson in the Valley of the Sun: Along Came Jones Conn Hamlett,2021-11-23 John Lee Johnson in the Valley of the Sun is part of a series pitting John Lee Johnson the powerfully strong and talented gunman against his nemesis former Brigadier General Frank McGrew a very wealthy steel and railroad magnate Their enmity goes back to the Civil War just recently ended McGrew has hired private assassins has sent waves of gunman He even lured the big Texan into a pit fight with the meanest man alive When Johnson defeated the toughest man in Chihuahua in a wild and exciting slugfest McGrew conceived the plan to entice Johnson to return to Chihuahua Mexico to brace the fastest gunman known on the planet for 100 000 in Mexican gold The location is the Valley of the Sun a desolate place of death Beneath a cruel inexorable sun constantly shining on nauseating yellow sand surrounded by stark mountains that form a horseshoe shape valley lay the ruins of both a Christian mission and a sacrificial Aztec altar from centuries past The hauntingly beautiful Marilla Urmacher once an enemy to John Lee Johnson but now a faithful ally comes to his rescue She sends California's best gunfighter to run interference for the man she secretly loves John Lee Johnson The struggles on the journey and the list of strange characters that John Lee Johnson encounters make this an excellent read It is a classic story of good versus bad The reader may wonder if good will really win in the end This western is different It is not just a melodrama It pits the money and influence of a wealthy man against the strongest and most singular man in Texas Their struggles against each other influences so many other singular individuals that are caught up in this eventual death struggle

ALONG CAME JONES ,1945 Western Film Highlights Henryk Hoffmann,2015-07-11 Westerns may have had their heyday but they remain popular The greatest films from 1914 when The Squaw Man and The Virginian were among

the genre's best through 2001 when American Outlaws and Texas Rangers were tops are the subject of this work For each year the author names the outstanding western films in the following categories picture screenplay original and adaptation direction cinematography music male and female leading roles and male and female supporting roles Also for each year the author lists the westerns that received Academy Award nominations and those that won makes note of the births and deaths of notable actors directors producers composers cinematographers authors and other such personalities and describes the genre's significant achievements

George Jones Bob Allen,2023-10-03 George Jones's nearly 60 year recording and performing career has had a profound influence on modern country music and influenced a younger generation of singers including Garth Brooks Alan Jackson Randy Travis Tim McGraw and Trace Adkins As Merle Haggard said of Jones in Rolling Stone magazine His voice was like a Stradivarius violin one of the greatest instruments ever made Jones's saga is a larger than life tale of rags to riches and back to rags again He was born into near poverty in a backwater patch of East Texas His formal education ended early by his early teens he was singing on the streets of Beaumont Texas for tips After beginning to record in the mid 1950s Jones became by sheer dint of his vocal prowess one of Nashville's most celebrated honky tonk singers But from the start Jones's life as often reflected in his music was shaped by misdirection chaos turmoil and emotional strife aggravated by a ferocious appetite for alcohol Fame and adulation seemed to merely intensify his personal travails Jones's story has a relatively happy ending With the help of fourth wife Nancy during the final decade and a half of his life he got clean and sober was feted as a much revered elder statesman for the music and by most accounts found peace of mind at long last
