Alphas Cult:

Alpha's Cult Essdale Wilson, 2003-01-16 When Megan Morgan's world falls apart she turns to a group for support and life answers. As with most groups the described group structure looks good on paper but she is unable to foresee the antagonism those who have designs on her and a woman who falls in love with her. She is convinced that she can meet the physical demands and cope with problems of adjustment but the diversification of personalities and desires create a constantly challenging existence where murder, competition, and love tax her limits and moral foundation. **The Alpha Enterprise**

Stephen Hunt, 2019-10-01 The Alpha Enterprise explores the development, growth, and impact of the most widely used evangelising programme of recent decades. The Alpha course is run in over seven thousand churches in the UK and over five thousand in the USA. Across the world some four million people have graduated through the course in over 80 countries. Alpha is truly the fastest growing evangelising initiative, creating widespread support as well as stirring strong criticism. Stephen Hunt critically examines the content and working philosophy of the Alpha course through the experiences of the churches that have run it as well as the individuals who have experienced it first hand. Hunt charts the history of the programme, its use of group dynamics and media, how it links with the charismatic movement, how it deals with issues such as homosexuality, how it is run not only in churches but in prisons and universities too, and concludes by measuring Alpha's impact and success. Engaging with debates regarding postmodernity, globalisation, McDonaldisation, consumerism, and secularisation, and based on real life surveys, *The Alpha Enterprise* sheds new light not only on evangelism but on contemporary Christianity in general and how it engages with a post-Christian culture. *The Paraclete and Mahdi Or the Exact Testimony of Science to Revelations and Exposition of the Most Ancient Mysteries and Cults ...* John Locke Estens, 1912

Mated To The Big Bad Alpha Authoress Hossy, 2024-09-10 Imagine being sent to kill the most unkillable man in the underworld. The Big Bad Alpha. If you fail, he kills you without mercy. And everyone else who ever tried has failed. So how can you, a lone female assassin, take down this monster? Against all odds, you decide to try. But when you get there, BOOM! The deadliest Alpha alive is your mate. Wayne Knight stepped into the room and Olive's heart pounded loudly. He was the most powerful Alpha in the country, and she had been sent to assassinate him. But she failed and was caught, which meant no mercy. He would kill her mercilessly, ruthlessly. So why did she love the scent of him from the moment he stepped into the room? Why did she love the way his gaze lingered on her despite her fear? And why hadn't he broken eye contact since he entered? He took a step closer, and she whimpered, shifting back in fear. His muscles tensed with anger as he turned and stormed out of the room, slamming the door behind him. Olive's heart raced as she curled into a ball. Wayne Knight was terrifying, but why did part of her wish he was still staring at her? Olive tried to calm herself, but her wolf was still on high alert, savoring Wayne's scent. What was wrong with her furry companion? Her wolf growled the answer to her questions. *Mate*, Book 1 in the Series.
