Already To Harvest:

Already to Harvest Hartman Rector,1988-01-01 Many members of the LDS Church worry about sharing the Gospel Hartman Rector Jr addresses many common concerns associated with missionary work and shares examples of how easy and successful missionary work can be Filled with how to s and helpful hints this book is perfect for adding an extra boost to the missionary efforts of both missionaries and members

Already to Harvest Hartman Rector (Jr.),1985 *A Year's Journey From A Pastor's Perspective* Vernon R Groce,2023-06-28 A few years ago I felt led by the Lord to write this book of devotions At the time my motivation was for the most part my family as I knew that we are living in perilous times and as we draw nearer to the coming of the Lord the times would not get better but worse But then I began to understand that the body of Christ the church and the individuals that make up the church are and will face issues that may be unique to this time in history But God s word is all inclusive and is relevant to all times and all situations As David said in Psalm 119 105 Thy word is a lamp unto my feet and a light unto my path In this book of devotions with God s help I wanted to speak about and deal with the issues that we face in life from a scriptural standpoint knowing that in God s word there is a direction strength encouragement and comfort And it is my prayer that the reader find peace and hope in the Lord and be motivated to draw high to him knowing that our hope is not in this world but in Jesus Christ
