Alternative Church:

Understanding the Church: God'S Alternative Society Dr. Frankie O. Phillips Sr.,2013-10-22 This book was not written it was built I was not the architect but a laborer under the direction of the Holy Spirit whose purpose is to honor the Lord Jesus Christ It is not intended for casual reading but to inspire further study of the Word It is my hope and prayer that readers will be inspired to build upon the concept of the church as Gods alternative society It is my hope that many sermons will grow out of what the Holy Spirit has given me to put in this book It is my hope that it will lead to study of the Word which reveals Jesus Christ who said I will build my church *Getting it Right* General Conference of Seventh-Day Adventists, Youth Dept Staff,General Conference of Seventh-Day Adventists. Robinson,1888 **Christless Christianity** Michael

Horton,2008-11-01 Is it possible that we have left Christ out of Christianity Is the faith and practice of American Christians today more American than Christian These are the provocative questions Michael Horton addresses in this thoughtful insightful book He argues that while we invoke the name of Christ too often Christ and the Christ centered gospel are pushed aside The result is a message and a faith that are in Horton s words trivial sentimental affirming and irrelevant This alternative gospel is a message of moralism personal comfort self help self improvement and individualistic religion It trivializes God making him a means to our selfish ends Horton skillfully diagnoses the problem and points to the solution a return to the unadulterated gospel of salvation

communities are appearing across the U S Many of them bear little resemblance on the surface to church in its conventional form But when we look a little deeper we see striking continuity with the most deeply rooted practices of the Christian faith in community What are those practices What do these unconventional alternative faith communities look like How are they perhaps indicators of a hopeful new future for the church And what can we learn from them Authors Kara Brinkerhoff and Tim Shapiro spent more than a year researching and exploring these questions closely examining the life of a dozen alternative faith communities across the country They include new monastic communities food oriented communities affinity group communities house churches hybrid churches and others They are creative ingenious innovative clever dynamic and transformative But they represent human expressions of activities that have always been part of human religious congregations hospitality learning storytelling care leadership worship and honoring place This fascinating book goes beyond simply analyzing current trends It reveals how innovative Christians are engaging in time honored practices creating new types of communities which will shape the church to come Further it shows us how we too might innovate while holding true to the essential practices of our gathered faith This is an instructive picture of Christian community past present and future
