

A dramatic landscape featuring dark, silhouetted mountains in the foreground. The sky is filled with heavy, dark clouds, with a bright light source (likely the sun or moon) breaking through, creating a glowing, golden light that illuminates the clouds and the valley below. The overall mood is one of hope and resilience.

We can always
begin again.

Begin Again Leean Tankersley,2018-04-03 What happens when life begins to trip us up and failure starts creeping in Many of us just keep on doing the same thing hoping for different results Some of us look for escape to find a way out of the mess we feel that we ve created But neither enduring nor escaping is ultimately what we need The answer is to allow ourselves to begin again every day in every part of our lives Through engaging lyrical prose Leean Tankersley shows women how to forgive themselves develop new and healthier patterns of living and do away with resentment and regret Her life giving words will free women who are feeling stuck and allow them to clear out the debris to make room for what God wants to do in their lives To begin again is to open the window even a crack to let the breeze of grace come in It is a call to stop running from our fears To take one small step toward becoming the brave women we were made to be

The Spacious Path Tamara Hill Murphy,2023-06-20 A simple invitation into a life ordered around listening and love As we live through cycles of change and disruption our familiar pathways crumble and we find ourselves in fragmented relationships with God others and our own souls We are not the first to experience this disorientation When Jesus offered the stunning

invitation to come to him to learn how to work from a place of rest he was talking to people weighed down by ill fitting political economic and religious systems And his life and ministry offer a glimpse of a better way For centuries a practice called the Rule of Life built around rhythms of prayer work study hospitality and rest has provided a loving pathway for anyone who desires to live out the whole gospel More than a historic primer on an ancient practice an aspirational overview of spiritual life or a personal inventory focused on habits The Spacious Path offers companionship through personal narrative meaningful reflection and guided prayer for readers to return to as often as needed Rediscover an ancient Christian practice to reorient your life around the unforced rhythms of Jesus not by adding another ill fitting system but by walking freely and lightly on the pathways of listening and love in the way of Jesus
