

# It was always You

If I could find one word, just one, to describe how much you mean to me.. it would be... Everything.

My darling, I love you.. because I know from the deepest level of my soul, that the universe conspired to help me find you.

You're the moon to my night, and the sun to my day.

You have given me a piece of my soul, that I never knew was missing.

In every life, my soul will always find yours. its you... It was always you... and will always be you.

I love you forever and always

# Always You
