Logan,2017-03-02 In uncovering the origin of the designation University Wits Bob Logan examines the characteristics of the Wits and their influence on the course of Elizabethan drama For the first time Christopher Marlowe is placed in the context of the six University Wits where his reputation stands out as the most prominent and the impact of his university education on his works is clarified The essays selected for reprinting assess the most significant scholarship written about Marlowe including biographical studies challenges to familiar assumptions about the poet playwright and his works compositions on groupings of his works on individual works and on subjects particular to Marlowe Unique in its perspective and in the collection of essays this book will interest all students and scholars of Renaissance poetry drama and specialized cultural contexts      **The Jew of Malta** Christopher Marlowe,1964

*Christopher Marlowe* Richard Wilson,2014-07-15 Christopher Marlowe has provoked some of the most radical criticism of recent years There is an elective affinity it seems between this pre modern dramatist and the post modern critics whose best

work has been inspired by his plays The reason suggested by this collection of essays is that Marlowe shares the post modern preoccupation with the language of power and the power of language itself As Richard Wilson shows in his introduction it is no accident that the founding essays of New Historicism were on Marlowe nor that current Queer Theorists focus so much on his images of gender and homosexuality Marlowe staged both the birth of the modern author and the origin of modern sexual desire and it is this unique conjunction that makes his drama a key to contemporary debates about the state and the self from pornography to gays in the military Gay Studies Cultural Materialism New Historicism and Reader Response Criticism are all represented in this selection which the introduction places in the light not only of theorists like Althusser Bataille and Bakhtin but also of artists and writers such as Jean Genet and Robert Mapplethorpe Many of the essays take off from Marlowe s extreme dramatisations of arson cruelty and aggression suggesting why it is that the thinker who has been most convincingly applied to his theatre is the philosopher of punishment and pain Michel Foucault Others explore the exclusiveness of this all male universe and reveal why it remains so offensive and impenetrable to feminism For what they all make disturbingly clear is Marlowe s violent untamed difference from the clichés and correctness of normative society

Luce, 1934      **Ugolino Junius Brutus Booth**, 1856      **New Historicism and Renaissance Drama** Richard Wilson, Richard Dutton, 2016-07-01 New Historicism has been one of the major developments in literary theory over the last decade both in the USA and Europe In this book Wilson and Dutton examine the theories behind New Historicism and its celebrated impact in practice on Renaissance Drama providing an important collection both for students of the genre and of literary theory      *The Complete Plays of Christopher Marlowe* , 1963      **The Delphian Course: The drama. Modern European drama. Nature study** , 1913      **The Heritage of Black Literature** , 2001

**Marlowe, History, and Sexuality** Paul Whitfield White, 1998 The year 1993 marked the 400th anniversary of Marlowe s death by stabbing in a tavern brawl It also served as a rallying point for novels plays a film and many scholarly events Marlowe s life and writings his commitments and ambivalences his politically correct and violently anti establishment posturings make him a man for the 1990s This work contains 13 essays by Marlovian writers of today      *Social Security* Daniel Béland, 2005 Compact timely well researched and balanced this institutional history of Social Security s seventy years shows how the past still influences ongoing reform debates helping the reader both to understand and evaluate the current partisan arguments on both sides
