The War is over Britain has fallen It wasn't necessarily that Britain had lost the Second World War In fact the Citizen Survivors would disagree whether they had simply bowed out if it was still raging on somewhere else or

whether the whole thing was simply an unfortunate misunderstanding that they were better off having no part of Citizen Survivors The Red Book is a nightmarish black comedy retelling history s most famous what if Not only what if Britain lost World War Two but what would that mean for those who survived The Red Book is a dystopian anthology containing eleven short stories written by ten authors Often tragic often spooky often funny but always weird Mirroring and inspired by many historical realities and possibilities join the Citizen Survivors as they try to piece together what has happened to their world and how they confront their new reality The Inmate by Maryanne Coleman The Reverend by M J Trow The Policeman by Kyt Wright The Agent by Maryanne Coleman The Widow by Julia Cowan The Busker by Taliesin Trow The Arbitrator by Faye Irwin The Soldier by Richard Denham The Entrepreneur by Justin Alcalá The Housewife by Samantha Evergreen The Partisan by Bethan White Praise for Citizen Survivors The Red Book Psychological horror may have just found its newest champion Gillian Philip It s said that good fiction s job is to comfort the disturbed and disturb the comfortable this book delivers that challenge in spades Georgia Hill A genre defying triumph Franz Kafka David Lynch and Philip K Dick would be proud of this off kilter anthology Russell Brown Either a work of genius a work of insanity or both You ll start as lost as the characters as you piece together the world of the Citizen Survivors in this unsettling and addictive read Nikki Turner This book is like a good puzzle that teasingly never quite comes together leaving you in anticipation for more clues about this nightmarish world Sarah Anne Carter **Canadian Literature Index** ,1991 **First Catalogue. ...
