Times Book Review From the celebrated author of *You Too Can Have a Body Like Mine* a thought provoking often unsettling story collection that consists broadly of narrative diagrams of the three main stages in a human life birth life and death Alexandra Kleeman's debut novel *You Too Can Have a Body Like Mine* earned her comparisons to Thomas Pynchon Don DeLillo Ben Marcus and Tom Perrotta It was praised by the New York Times as a powerful allegory of our civilization's many maladies artfully and elegantly articulated by one of the young wise women of our generation In her second book a collection of twelve stories irresistibly seductive in their strangeness she explores human life from beginning to end the distress of birth into a world already formed the brief and confusing period of living where we understand what is expected of us and struggle to do it and the death y period toward the end where we sense it is ending and will end only partially understood at best The title is taken from one of the stories *Intimation* but is also a play on Wordsworth's *Intimations of Immortality* only in this case it's not clear exactly what is being intimated but it's nothing so gleaming and good as *Immortality* The middle *Living* section of the book is fleshed out with a set of stories that borrow more from traditional realist fiction to illustrate the inner lives of the characters At once familiar and mysterious these stories have an eerie resonance as its characters find themselves in new and surprising situations An unnamed woman enters a room with no exit and a ready made life the disappearance of people objects and memory creates an apocalypse the art of dance is used to try to tame a feral child the key to surviving a house party lies in knowing the difference between fake and real blood Elegant surprising wondrous and haunting *Intimations* is an utterly transporting collection from one of our most ingenious and brilliant young writers

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
