Bargaining Under Federalism Contemporary New York:

Bargaining Under Federalism Sarah F. Liebschutz,1991 **Governing New York State, Sixth Edition** Robert F. Pecorella,Jeffrey M. Stonecash,2012-12-04 New York contains greater diversity than almost any other state This diversity creates extensive social and political conflict within the state *Governing New York State Sixth Edition* provides expert assessment of how these conflicts are organized and represented and how the political process and political institutions work in an effort to resolve them Contributors explore the role of political parties and interest groups in representing these concerns They also review the nature of the legislature the governor the courts and public authorities as well as how these institutions play a role in making decisions Finally the impact of politics is analyzed for the policy areas of intergovernmental fiscal relations welfare health and local education The sixth edition of *Governing New York State* provides an excellent summary of the political process and most of the major policy controversies in the state *Governing New York State* Jeffrey M. Stonecash,2001-02-08 An indispensable guide to New York State s politics political institutions and public policies

New York Politics & Government ,1998-01-01 Two values often at odds with each other competition and compassion dominate New York s political culture Since the eighteenth century New York has been known for its economic leadership and entrepreneurial opportunities Its nickname the Empire State reflects the state s continuing role as a national and international center of industry and commerce Yet New York s political culture as Daniel J Elazar has noted is paradoxically both individualistic and moralistic Compassion is extended not only toward those unable to compete in the marketplace but also toward the numerous interest groups and institutions labor business nonprofit agencies that depend on the state s largesse for their own well being This distinctive political blend can produce inconsistent yet complementary public policies such as providing tax incentives for economic development alongside liberal Medicaid benefits In this excellent overview of New York politics five distinguished scholars explore the state s paradoxical political culture examining its local regional and national components through the years *The Oxford Handbook of State and Local Government* Donald P. Haider-Markel,2014-04-03 *The Oxford Handbook of State and Local Government* is an historic undertaking It contains a wide range of essays that define the important questions in the field evaluate where we are in answering them and set the direction and terms of discourse for future work The Handbook will have a substantial influence in defining the field for years to come The chapters critically assess both the key works of state and local politics literature and the ways in which the sub field has developed It covers the main areas of study in subnational politics by exploring the central contributions to the comparative study of institutions behavior and policy in the American context Each chapter outlines an agenda for future research *The Federalism Report* ,1992 *Governing New York State* Robert F. Pecorella,Jeffrey M. Stonecash,2006-02-16 *Essays on New York State government and politics* **Defining Federalism in Russia** Elizabeth Pascal,2000 **Safeguarding Federalism** John Douglas Nugent,2009 Explains the dynamics of federalism in today s

policymaking process The checks and balances built into the U S Constitution are designed to decentralize and thus limit the powers of government This system works both horizontally among the executive legislative and judicial branches and vertically between the federal government and state governments That vertical separation known as federalism is intended to restrain the powers of the federal government yet many political observers today believe that the federal government routinely oversteps its bounds at the expense of states In *Safeguarding Federalism* John D Nugent argues that contrary to common perception federalism is alive and well if in a form different from what the Framers of the Constitution envisioned According to Nugent state officials have numerous options for affecting the development and implementation of federal policy and can soften slow down or even halt federal efforts they perceive as harming their interests Nugent describes the general approaches states use to safeguard their interests such as influencing the federal policy contributing to policy formulation encouraging or discouraging policy enactment participating in policy implementation and providing necessary feedback on policy success or failure Demonstrating the workings of these safeguards through detailed analysis of recent federal initiatives including the 1996 welfare reform law the Clean Air Act moratoriums on state taxation of Internet commerce and the highly controversial No Child Left Behind Act Nugent shows how states promotion of their own interests preserves the Founders system of constitutional federalism today

The Days of Wine and Roses are Over Daniel C. Kramer,1997 *The Days of Wine and Roses Are Over* is an in depth study of Hugh Carey s tenure as Governor of New York from 1975 through 1982 This book covers his life beginning with his youth congressional career and 1974 gubernatorial primary and general election campaigns The steps he took from 1975 through 1978 to keep both New York City and state out of bankruptcy are analyzed He not only lobbied the federal government vigorously and successfully to secure aid for the city but compelled the metropolis to abandon a well trodden path of financial recklessness This book outlines his touchy relations with Democratic Party leaders and the State Legislature and narrates his surprisingly difficult albeit successful reelection bid in 1978 a campaign in which he first had to defeat his own Lieutenant Governor before taking on his Republican challenger The Carey Administration had a hand in many important projects the modernization of New York City s subways and the rescue of homeowners living in the Love Canal neighborhood being just two before Carey committed several serious blunders which lowered voters opinion of him that he decided not to run for reelection in 1982 Through it all this man with the embarrassingly low poll ratings turned into a superb governor

American Intergovernmental Relations Laurence J. O'Toole,2007 With feedback from adopters editor Laurence O Toole retains important classic selections from earlier editions while freshening this volume with new selections that cover not only the impact of recent fiscal developments and international influences on U S intergovernmental relations but also explore the key role of the Supreme Court in shaping the system s evolution in such areas as homeland security interstate relations and local finance Judicious editing of essays and substantial part introductions make *American Intergovernmental Relations* an invaluable text and an engaging read

Symposium ,1992 *Policy Studies Review* ,1992 Some vols include special issues *Bowker's Law Books and Serials in Print* ,1995 **Legislative Trends** ,1991 **Public Administration in America** Michael E. Milakovich,George J. Gordon,2007 Think you know how to run a city government Find out how it s really done with PUBLIC ADMINISTRATION IN AMERICA This edition shows you how the day to day operations work plus asks tough questions about ethics and power Take your leadership to a new level and ace the class with PUBLIC ADMINISTRATIONIN AMERICA Subject Guide to Books in Print ,1996 **Bibliographic Guide to Business and Economics** New York Public Library. Research Libraries,1991
Bibliographie Internationale de Science Politique ,1991 **Paperbound Books in Print** ,1992
