Baseball Record 1983:

Baseball Record Book, 1983, 1983-12 **Baseball's Record Breakers** Hans Carroll Hetrick, 2017-01-01 Henry Aaron's pursuit of Babe Ruth's home run record captivated the baseball world. So did Cal Ripken's effort to outlast Lou Gehrig's ironman streak and Rickey Henderson's attempt to swipe Lou Brock's stolen base throne. Here are pro baseball's greatest records and the stories of the players who have held, chased, and broken them. **Official Baseball Record Book, 1983**, 1983 **Official Gazette of the United States Patent and Trademark Office**, 2003 **Old Comiskey Park** Floyd Sullivan, David Cicotello, Angelo J. Louisa, 2014-06-04 These new essays and memories cover the history and evolution of the former home of the Chicago White Sox as well as its importance to its surrounding neighborhoods and to the city of Chicago. The essays cover Charles Comiskey and the location of the ballpark, the neighborhoods that surround the site, the dimensions and configurations of Old Comiskey Park, a summary of All Star World Series and playoff games played there, Negro League baseball at Comiskey Park, Bill Veeck, the ballpark as host to events and sports other than White Sox baseball, and an analysis of the evolution of the famous exploding scoreboard, the original model for today's modern sports stadium boards. Former players, White Sox personnel, and fans contributed memories including substantial pieces by Roland Hemond and Nancy Faust.

Subject Guide to Books in Print, 2001 Baseball's Last Golden Age, 1946-1960 J. Ronald Oakley, 1994 The place was post World War II America and baseball was entering its last Golden Age. Fans flocked to the ballparks or tuned in on their television sets to catch the heroics of some of the greatest players the game has ever known. Men like Joe DiMaggio, Stan Musial, Willie Mays, and Mickey Mantle could be seen hitting, pitching, and catching their way to the Hall of Fame. But just like the rest of post-war America, baseball was experiencing change. The rise of the specialized relief pitcher and the increased emphasis on the home run worked to alter the game on the field. Off the field, the baseball players themselves were changing. Players were becoming better educated and more vocal and were demanding better pay. Many no longer played the game for fun. It was a time of social change as Jackie Robinson broke baseball's color barrier and opened the door for other black players to join what had previously been an all-white game. It was a time too when the national pastime was being transformed by television competition from football and other spectator sports, dramatic declines in attendance, and the first movement of franchises in fifty years. From dramatic pennant races to the spread of night games, this account covers every facet of baseball's last Golden Age. *New York Court of Appeals. Records and Briefs*. New York (State)., **Tip O'Neill and the St. Louis Browns of 1887** Dennis Thiessen, 2019-06-12 In 1887 Tip O'Neill, left fielder for the St. Louis Browns, won the American Association batting championship with a .492 average, the highest ever for a single season in the Major Leagues. Yet his record was set during a season when a base on balls counted as a hit and a time at bat. Over the next 130 years, the debate about O'Neill's correct average diverted attention from the other batting feats of his record-breaking season, including numerous multi-hit games, streaks, and long hits, as well as two cycles and the triple crown. The Browns entered 1887 as the

champions of St Louis the American Association and the world Following the lead set by their manager Charles Comiskey the Browns did anything to win combining skill with an aggressive style of play that included noisy coaching incessant kicking trickery and rough play O Neill did everything to win at the plate leaving the no holds barred tactics to his rowdier teammates American Book Publishing Record ,1984 **Maroon & Gold** Bob Eger,2001-09-01 In Maroon Gold A History of Sun Devil Athletics veteran sportswriter Bob Eger recounts not only the most celebrated moments but many little known items from the university s colorful sports history From turn of the century football legend Charlie Haigler to the electrifying Whizzer White to latterday star Jake Plummer the rich football lineage is well documented But this is much more than a football book Who could forget coach Ned Wulk s great basketball teams of the early 1960s or the five national basketball titles It s a little known fact that women were participating in an early form of aerobics on campus as early as 1891 and playing basketball in 1898 though the school didn t begin attracting national attention for women s athletics until golfer JoAnne Gunderson and diver Patsy Willard began to dominate their sports in the late 1950s and early 1960s Maroon Gold A History of Sun Devil Athletics is must reading for any true Sun Devil fan from any generation The Cumulative Book Index ,1984 A world list of books in the English language *The World Book Encyclopedia* ,1987 An encyclopedia designed especially to meet the needs of elementary junior high and senior high school students **Books in Print** ,1994 Goldmine Standard Catalog of American Records, 1950-1975 Tim Neely,2002 Record expert Neely profiles nearly 175 000 45s LPs extended play singles and 12 inch singles by artists whose first record was issued in 1975 or earlier 200 photos 8 page color section **The Blue Book of College Athletics ...** ,1984 **California.
