Christian Basic Training Craig T. Feigh, 2017-02-26 There is a problem in our Churches today and it s called Biblical illiteracy According to a recent ABC poll

up to 94% of high school students stop attending church after graduating because of Biblical challenges and stagnation of their faith. Additionally, over 50% of all weekly churchgoers are not Christians. Christians are not mature in their faith because many professing Christians do not even know the basics of their faith. According to the results of a survey conducted recently by LifeWay Research, over 3,000 participants were asked a set of 47 questions about foundational Christian beliefs. Most of the answers revealed a mishmash of heresy and confusion about Christianity's most basic doctrines. It's not just the departures from these historic doctrines that should concern us, but the contradictory answers. It shows that Americans in general and evangelicals in particular are clueless on basic Christian doctrine. This is the basis for Christian Basic Training (CBT). Every year professional athletes attend training camp to get back to the basics of their particular sport. Regardless of their previous successes, they review the fundamentals: hitting, fielding, base running, blocking, tackling, special teams, etc. of their profession to insure that they have a solid foundation in which to excel. Most games are won or lost because of a lapse in a basic skill. These are professional athletes making millions of dollars, yet they go back to the basics each and every year and before every game. They hone their skills to insure that they are foundationally sound so that the game to them becomes second nature. This is what God is asking each of us to do: as well, get back to the basics of the Christian faith to be sure that we are Biblically sound. Most parents and churches are failing in this area. Christian Author and Speaker Craig T. Feigh has compiled a list of the 42 most basic Christian foundational principles in an easy-to-understand workbook format that allows both the new and mature Christian the ability to understand and articulate the basics of the Christian faith. Getting back to the basics and building a strong Biblical foundation helps us in many ways. It helps us become closer to God and grow in our faith. It helps us Biblically resist the temptations from the devil and non-believers. It helps us to weather the storms of life. It helps us to faithfully share and defend our faith. It helps us to be assured of our salvation. This is a must-read for anyone wanting to know the basic doctrines of the Christian faith and a must-have for every Church Bible Study group.

Christian Basics Glenn LaRue, 2020-01-24. *Christian Basics Questions and Answers* gives an overview of the main tenets of Christianity through a simple question and answer format. It is a helpful resource for individuals eager to learn the basics of the faith, for parents seeking to instruct their children (though not written specifically for small children) and for disciple makers working with interested seekers or new believers. Over its fourteen sections, it contains 296 straightforward questions with single-statement answers. A unique work in scope and organization, inspired by catechisms of the past but relevant in today's culture of increasing biblical ignorance and secular dominance, this booklet packs a punch of clear language, practical conciseness, and doctrinal nuance. With a sensitivity to progression and proportion, it covers classic topics and needed topics that are not addressed in other works of similar format: manhood and womanhood, marriage, the family, order of salvation, basics of Israel, the life of Jesus, the local church, personal holiness, civil government, etc. It is thoroughly Baptist from the ground up and written from a reformed, complementarian, premillennial perspective. Glenn LaRue is a graduate of The Southern Baptist
