## **Christian Faith:**

**The Christian Faith** Friedrich Schleiermacher, 1999-03-11 The classic work of Christian theology which seeks to present the Christian faith in its entirety Schleiermacher was equally at home in the theological systems of Protestant orthodoxy and the new world of thought shaped by the historical and natural sciences and German philosophy He follows a confident course through the entire range of themes in dogmatics but leaves both the dogmatic task and the individual themes transformed by a powerful and original mind A new foreword by B A Gerrish summarises the dogmatic goals of *The Christian Faith* and corrects some common misreadings of his work *Christian Faith and Life*, 1926 *The firm foundation of the Christian*

*faith* Joseph Agar Beet, 1891 **Scholarship and Christian Faith** Douglas Jacobsen, Rhonda Hustedt Jacobsen, 2004-04-08 This book enters a lively discussion about religious faith and higher education in America that has been going on for a decade or more During this time many scholars have joined the debate about how best to understand the role of faith in the academy at large and in the special arena of church related Christian higher education The notion of faith informed scholarship has of course figured prominently in this conversation But argue Douglas and Rhonda Jacobsen the idea of Christian scholarship itself has been remarkably under discussed Most of the literature has assumed a definition of Christian scholarship that is Reformed and evangelical in orientation a model associated with the phrase the integration of faith and learning The authors offer a new definition and analysis of Christian scholarship that respects the insights of different Christian traditions e g Catholic Lutheran Anabaptist Wesleyan Pentecostal and that applies to the arts and to professional studies as much as it does to the humanities and the natural and social sciences The book itself is organized as a conversation Five chapters by the Jacobsens alternate with four contributed essays that sharpen illustrate or complicate the material in the preceding chapters The goal is both to map the complex terrain of Christian scholarship as it actually exists and to help foster better connections between Christian scholars of differing persuasions and between Christians and the academy as a whole *The Conversion of Armenia to the Christian Faith* William St. Clair Tisdall, 1897 **What is Christian Faith?** William Childs Robinson, 1937

**Foundations of the Christian Faith** James Montgomery Boice, 2019-01-29 In one systematic volume James Montgomery Boice provides a readable overview of Christian theology With scholarly rigor and a pastor's heart Boice carefully opens the topics of the nature of God the person and work of Christ the work of the Holy Spirit in justification and sanctification and ecclesiology and eschatology This updated edition includes a foreword by Philip Ryken and a section by section study guide **The Philosophy of the Christian Religion** Andrew Martin Fairbairn, 1909 [Essential Truths of the Christian Faith](#) R. C. Sproul, 1998 100 key doctrines in plain language Cover *Christian Faith* Hendrikus Berkhof, 1991 This is a print on demand book and is therefore non returnable In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith

Beginning with the whole of reality makes it possible to use religion as the basis from which to acquire an understanding of the relevance of the Christian faith for that total reality Thus a study of Christian faith can answer questions that deal with the place of humanity in the cosmos the meaning of life and existence the meaning of freedom and of death Berkhof defines religion as the relation to the absolute Faith is one step beyond religion as it is the establishment of God s relationship to his people Christian faith builds on Old Testament faith because the promises of the Old Testament are accepted as being fulfilled in the ministry suffering death and resurrection of Jesus Christ For Berkhof the study of Christian faith is a systematic examination of the content of the relationship which God in Christ has entered into with us Because the study of the faith is systematic there must be an order to it This order varies from theologian to theologian for Berkhof the starting point is revelation the sources and norms for our knowledge of God This leads to a discussion of God creation of the world and of human beings Israel the person and work of Christ the church and finally the renewal of the world and of humanity Throughout the book Berkhof comments on and often takes issue with systematic theologians of the past Written for both the layperson and the scholar the text is interspersed with excurses set off in smaller type than the main text that cover specific subjects more thoroughly citing sources controversies and the like which will be of particular interest to theologians and students This newly revised edition a translation of the Dutch fifth edition takes into account developments in dogmatics in the thirteen years since Berkhof prepared the first edition of Christian Faith Berkhof s aim throughout is to present his understanding of the truth of God but as he writes in his preface the study of the faith is not something to learn so much as something to do and practice A book can do no more than help us to get started and stimulate us to try to do it on our own This book like the earlier edition admirably succeeds in meeting that goal *The Credibility of the Christian Religion, Or Thoughts on Modern Rationalism* Samuel Smith (M.P.),1873 [Welcome to the Christian Faith](#) Christopher Webber,2011-10 A foundational volume for seekers in formation programs and a refresher study volume for individuals and congregational study groups We live in a world increasingly separated from the Christian tradition and the basic understanding of the faith that previous ages might have taken for granted The voices of faith seem increasingly strident and off putting to many There is a need for a calmer basic introduction to faith that recognizes the value of doubt and the questions raised in a secular society A systematic introduction to Christianity for newcomers needs to begin with a discussion of faith itself and then move on to a discussion of such Christian basics as God Trinity Church sin atonement prayer and Christian living *The True Christian Religion* Emanuel Swedenborg,1883 *Essentials of the Christian Faith* Robin J. Wood Sr.,2025-12-01 New Christians always have questions as they embark on a faith based journey Those who have been saints for a while probably have even more questions Those who have never begun a life of faith in Christ may also be facing barriers that need answers So what are the essentials of the Christian faith and how can we apply them to modern life Robin draws on his Biblical literacy theological studies and personal experiences gathered from his fifty plus years as a believer in Christ to share

essential truths that address the many questions Christians often ask such as How do I choose a church Who wrote the Bible Why are there so many denominations How can I tell if a church is a cult How do I pray and receive answers Robin shares a practical filter to determine truth from error He discusses concepts based on several factors that include true and false teachings details about how essential Christian doctrine was determined how the Bible was developed how to study the Bible and how we receive answers to prayers Essentials of the Christian Faith shares time tested insights that examine the essentials of Christianity and answer the deep questions that often accompany a faith journey

### **The Love That Is God**

Frederick Christian Bauerschmidt,2020-08-11 God is love is the radical claim of Christianity writes Frederick Bauerschmidt at the beginning of this little meditation on the essentials of Christian faith In a rich yet accessible style reminiscent of C S Lewis and G K Chesterton Bauerschmidt breathes life back into that claim drawing from Scripture great Christian and non Christian writers of the past and his own lived experience to show just how countercultural and subversive Christianity is actually meant to be Eschewing the abstract and dogmatic in favor of the relational and inviting he offers something for everyone from lifelong churchgoers and students of religion to the growing population of nones among younger generations who are increasingly seeking spiritual fulfillment outside of institutional Christianity With further reading suggestions both scriptural and nonscriptural at the end of each chapter The Love That Is God is the perfect starting point of a spiritual journey into deeper relationship with God Michael Ramsey Prize 2023 [Psychology's Impact on the Christian Faith](#) Charles Edward Barker,1964 *Christianity: A Brief Survey* Michael D. Robinson,2022-05-13 Christianity is a way of life centered on the person life teaching death and resurrection of Jesus the Christ As a religious way of life Christianity is multifaceted involving numerous beliefs and practices This book explores many of the varied facets of the Christian faith including its foundations in the story of Israel the person of Jesus the early Christian community and the sacred text called the Bible In turn Robinson s book examines Christianity s core doctrines ethical norms and worship practices rounding out the study by considering four key contemporary challenges faced by Christian believers namely the problem of evil the relationship of Christianity to other religions and to science and the role of women in church and society Among the strengths of this book is that it addresses these multiple features of Christianity in a single volume it is aptly titled Christianity A Brief Survey

**Christian Faith and the Truth Behind 9/11** David Ray Griffin,2006 Probing disturbing questions that beg for a response from the Christian community a distinguished scholar of religion and popular writer analyzes the evidence about 9

11 and then explores a distinctively Christian perspective on these issues taking seriously what we know about Jesus life death and teachings
