Christian Man:

The Christian Man Patrick Morley, 2019-05-21 In *The Christian Man* Patrick Morley bestselling author of *The Man in the Mirror* offers men practical ways to deal with life's problems and become the men of God they aspire to be. No man fails on purpose. Quite the opposite. When our feet hit the floor every morning we're looking for a win. But these are turbulent times to be a man. In gathering material for this book, Morley interviewed many men. Their input was powerful and transparent. They agreed that it's increasingly difficult to juggle all their responsibilities as men, husbands, fathers, friends, workers, churchmen, and citizens. No one understands what you're going through more than men's expert Patrick Morley, author of the landmark bestseller *The Man in the Mirror* which has sold over 4 million copies. And now Morley has put together a game plan so you can get that win you're looking for. *The Christian Man* is filled with powerful stories and refreshingly practical answers to questions like: How can I lead a more balanced life? How can I have a deeper walk with God? What makes a great husband? How can I become a dad who makes a difference? How should I think about my work? What's the right way to deal with lust? By the end of this must-read book, you will know how to intentionally release the power of God on the issues that matter most to you. You'll be able to walk with confidence in the one identity that matters most: **The Christian Man**.

How to Find a Good, Christian Man Harold D. Edmunds, 2016-06-24 *How to Find a Good Christian Man* is a self-help book for women. Today many women are making poor choices when it comes to finding a man. Poor choices often lead to heartache and pain. The choice of a marriage mate is one of the most important choices that a woman can make. What steps can a woman take to choose a good man? Most women want a man who is faithful, loving, and kind. Where can women find such men? What can a woman do to attract a man? What techniques can a woman use to discern if a man is right for her? How can a woman tell a Christian man from a worldly man? What should a woman do to prepare herself for a relationship? How should a woman behave once she is in a relationship? What should a woman expect from a man? How should Christians behave while they are dating? Are you tired of dating the wrong men? Have you been hurt by men in the past? Are you willing to try something new in order to find a good man? Can you assert yourself in order to find a mature man? Would you like help in finding the right man for you? All these questions will be answered in *How to Find a Good Christian Man*. You will find many helpful suggestions in the book. Harold D. Edmunds gives women a step-by-step guide to finding a good Christian man. Christian men are different than other men because they live by the high standards set down in God's word, the Bible. Edmunds has written a simple, straightforward guide to finding an excellent companion. The suggestions given are easy to follow and will lead to success. Do you want a good Christian man?

Characteristics of a Christian Man Bill Petite, 2019-11-29 Have you ever considered what it means to be a Christian man in our current culture? If you are a Christian man, then you know what it is like when you

face the world every day You understand the temptations which are thrown in your direction You might work in a hostile secular work environment which attempts to wear you down every day You know what it means to pray about this every morning before you leave your home Or maybe you are walking the line between your Christian faith and the world You might attend church once a week to check the box to say you were there but what did you get out of checking the box Christian men come in all sizes colors and attitudes the one thing they all have in common is they have been saved by Jesus Christ Some keep as close a walk as possible with Jesus every day while others have set a distance for one reason or another Some read and study their Bible every day while others might only look at it on Sunday morning when the pastor tells them where to turn Some have stepped up and answered the call to be the spiritual leader in their homes and others to ministry But some have never got past just being saved and continue to walk that thin line Some are prayer warriors and others haven't prayed since they ask Jesus to save them This book addresses some of the characteristics which a Christian man should have in his life They are characteristics which should be seen in his life by other Christians but more importantly by those who are not saved A Christian man is not perfect and without mistakes but he should be a man who seeks after the heart of God daily Inside this book some of the characteristics of a Christian man are discussed in a very informal down to earth manner A simple easy to understand discussion of these characteristics are what makes up the writing in this book It's not easy being a Christian man in any era of time but we are in our era of time and these characteristics are very important to be seen in the life of a Christian man By the way these characteristics never change no matter what era of time you live
