Christian Of Why:

Why I am not a Christian Bertrand Russell, 2020-04-22 While its tone is playful and frivolous this book poses tough questions over the nature of religion and belief Religion provides comfortable responses to the questions that have always beset humankind why are we here what is the point of being alive how ought we to behave Russell snatches that comfort away leaving us instead with other more troublesome alternatives responsibility autonomy self awareness He tells us that the time to live is now the place to live is here and the way to be happy is to ensure others are happy **This Is Why Your Christianity Doesn't Work Today** Matt Hardy, I m not going to keep you in suspense here The Christianity of today doesn't work because it isn't real Christianity There I've said it And look if you're a Christian and it's not working for you I can understand your frustration To be perfectly honest the reason it's not working might not even be your fault There's a good chance you weren't given the full story when you became a Christian or got saved I feel that there's a foundational element that's missing in the Christianity of today and it may be the very thing holding you back from experiencing what you were created for **Sermons for the Christian Year: Sermons for the Saints' Days and other festivals** John Keble, 1879

Why Am I Still a Christian? Joseph A. Buijs, 2021-03-12 Why am I a Christian Why is anyone a Christian or remain a Christian These questions can readily occur in our increasingly secular environment A prevalent mind set suggests that there is no point to being Christian that it is a cultural remnant of our upbringing a belief system out of step with enlightened thinking a moral code at odds with contemporary society Does it then still make sense to adhere to a Christian tradition Is it reasonable to be and remain Christian when atheistic criticisms imply otherwise A philosophical excursion explores these questions under the headings of Tradition Reason and Faith It critically discusses the what and the why of being Christian It differentiates explaining how we may have acquired faith and Christian commitment from justifying why it may nevertheless be reasonable to have faith and to remain Christian A personal narrative shows how approaches to these questions changed over the course of the authors personal life and academic career teaching philosophy Why am I or why is anyone a Christian Because as the author concludes it can be a reasonable choice to adopt and retain a Christian faith commitment [Why Christian?](#) Douglas John Hall, 1998-01-01 In these dialogues with doubt Douglas John Hall enters into an earnest search with a young inquirer who is on the edges of Christian faith Half familiar with superficial aspects of Christianity hopeful of there being greater depth than found so far she or he is curious insistent looking for something to believe in but not ready to leap without good reason Such as person is asking Why be Christian From publisher's description [The Bible Christian magazine, a continuation of the Arminian magazine](#) Bible Christians, 1882 [The Christian Advocate](#), 1901 [The Hebrew Christian Alliance Quarterly](#), 1917 [SCM Core Text: Christian Doctrine](#) Mike Higton, 2013-01-25 The SCM Core Text Christian Doctrine offers an up to date accessible introduction to one of the core subjects of theology Written for second and third year university students it shows that Christian Doctrine is not a series of impossible claims to be clung to with blind

faith Mike Higton argues that it is rather a set of claims that emerge in the midst of Christian life as Christian communities try to make enough sense of their lives and of their world to allow them to carry on Christian communities have made sense of their own life and the life of the wider world in which they are set as life created by God to share in God's own life They have seen themselves and their world as laid hold of God's life in Jesus of Nazareth and as having the Spirit of God's own life actively at work within them This book explores these and other central Christian doctrines and in each case shows how the doctrine makes sense and how it is woven into Christian life It will help readers to see what sense it might make to say the things that Christian doctrine says and how that doctrine might affect the way that one looks at everything the natural world gossip culture speaking in tongues politics dieting human freedom love High Noon justice computers racism the novels of Jane Austin parenthood death and fashion **Christian Literature** ,1895 *Christian Doctrine in the Light of New Testament Revision* Alexander Gordon,1882 **The Christian Century** ,1921 *Michigan Christian Advocate* ,1926
