Roberts, 2022-03-17 Discipleship guidance from the writings of Kierkegaard Genuine Christian character often runs counter to prevailing notions of Christianity as much in today's era of nationalistic religiosity as in the staid Christendom of Soren Kierkegaard's time Kierkegaard responded to the hypocrisy around him by becoming a missionary of sorts in the Western world Through his writing he exposed the illusions of conventional wisdom while advancing a compelling vision of the true Christian life that would give rise to essential virtues like faith hope love patience gratitude and humility What might Kierkegaard say to us today about recovering a genuine Christian character amid manifold corruptions of the gospel Robert C Roberts guides the reader through Kierkegaard's thought about character clarifying while never unduly simplifying to show how Kierkegaard's prescient psychological insights can be applied in the lives of twenty-first century Christians interested in personal formation Taking on a Kierkegaardian voice of his own Roberts powerfully illustrates how virtue arises not from the mastery of individual ethical principles but from the continuity of one's soul with the heart of God *In Defense of the Cross of Christ* Steven Holley, 2013-11 Who are enemies of the cross and who are defenders of the faith In Defense of the Cross of Christ is a wake up call to sleeping Christians who keep hitting the conviction snooze button of God's command for obedience and holiness through His grace that compels us and equips us to personify Jesus in selfless love In Defense of the Cross of Christ is an uncompromising warning to church leaders who have invaded the church with humanistic thinking and become stumbling blocks for babes in Christ while deceiving others to follow their pernicious ways of iniquity and to rejoice in it Over a decade in preparation In Defense of the Cross of Christ is

now ready for you The question is are you ready for it I know of no other current author who addresses the issue of iniquity among the body of Christ as clearly and concisely as it is dealt with in this work Just as importantly I testify that the words written have the testimony of the Spirit by the demonstration of a life lived by the principles here taught Corey Dawes Father s Honor Ministry With passion and conviction Steven has presented an excellent defense of the cross Through Scripture and his insight the reader is drawn to move away from elementary teachings of Scripture and toward deeper water by allowing the love of Christ to guide every decision of their lives In Defense of the Cross of Christ is intended for slow digestion so the reader may obtain the full nutrients it contains Kevin Clouse pastor and writer First Church of God
