**Christianity Uncovered** Hugh Fogelman,2012-05-31 Many Christians have told me to quit being so nit picking and let by gone be be gones that what happened in the past was then and now is now and things have changed But that is not true Christians still read from their so called NEW testament that is full of Jew bashing so subliminal that most Christians overlook it It is not my desire to claim Christianity is wrong and that you should not believe in your god but I want people to think Perhaps what you have been led to believe is wrong Think Why is it wrong for a Christian to deny the divinity of Jesus yet why do Christians turn their blind eye to Christians Missionaries trying to convert Jews against the basic tenants of Judaism Why is it that most all pictures of the different characters in Christianity have a sun disk above their heads The Church made its own spin on this calling them halos but didn t the Church change Sabbath to Sunday the day of the sun Who actually wrote the Christian bible that Christians all over the world swear it The Church admits they really don t know for sure and only guessed Did Jesus write anything in the NEW testament or was his thoughts written by men who thought they knew Why did it take 2 000 years before the Pope acknowledged the Christian hatred towards Jews and the need for Christians to repent Why all of a sudden were the Church wrong and the Jews right

*The Mysteries of Christianity* T. J. Crawford,2016-10-20 From the Introduction by Sinclair B Ferguson Mystery is a biblical word that over the years has been reduced in meaning Taking on an atmosphere very different to the sense in which it was used for example by the apostle Paul It is important therefore in opening these pages to realize that in discussing Christianity s mysteries Crawford is dealing with realities that can be known by us only if God himself reveals them They come to us recorded in the pages of Scripture not as a result of our own abilities to engage in reasoning Thus *The Mysteries of Christianity* is in essence an exposition and defence of Christianity as a supernatural Trinitarian faith

at the heart of which lie the mysteries of the incarnation the atonement the sovereign work of the Holy Spirit and the marvels of divine providence

**John Henry Newman's An Essay in Aid of a Grammar of Assent: A Critical Guide** Frederick D. Aquino, Matthew Levering, 2025-04-01

John Henry Newman's *Essay in Aid of a Grammar of Assent* is a masterpiece of religious epistemology providing astute descriptive analysis of how the human mind actually works in addressing itself to reality as well as a novel prescriptive vocabulary for fruitfully considering the assent involved in Christian belief. While it is rightly numbered among the most important of Newman's writings, the *Grammar* is a difficult and complex work combining rigorous theoretical argumentation with deeply personal reflection. In this *Critical Guide to Newman's Grammar*, editors Frederick D. Aquino and Matthew Levering have assembled ten original essays on the work's historical background and key themes and ideas. Topics discussed include Newman's distinctions of real and notional apprehension and real and notional assent; his treatment of the role of conscience and dogmatic propositions in religious reasoning; his understanding of faith and rationality; his notions of the illative sense and the role of inference in intellectual inquiry; and his view of the relation between natural and revealed religion. The contributing authors are an international array of noteworthy Newman scholars, including Frederick D. Aquino, Christopher Cimorelli, John F. Crosby, Logan Paul Gage, Stephen Grimm, Thomas S. Hibbs, Lorraine Keller, Andrew Meszaros, Francesca Aran Murphy, Cyril O. Regan, and Geertjan Zuijdwegt. This collection of essays presents the riches of the *Grammar* in conversation with contemporary philosophical and theological concerns, guiding readers into its central topics while also advancing its scholarly reception. *American Standard*, 1924

*How the Churches Got It Wrong* J. Craig Woods, 2012-06-28

When the founders of the early Christian Church created the Christian religion, were they able to capture the truth as found in the actual words of Jesus Christ? In looking at the history of our Christian institutions, it becomes evident that His message of love and compassion has been completely overlooked by the Christian leaders who have defined Jesus Christ. This book will be our spiritual journey to find the truth in the message of Jesus Christ. And the true message of Jesus Christ is about peace, hope, and love. Sadly, His message has been ignored and distorted by our Christian institutions. The Christ message of love was given to all humanity, and we all possess the capacity to learn this message. His Gospel of love was never intended to be a collection of creeds and doctrines created by a select group of self-appointed clerical middle men. Their creation of creeds, doctrines, and dogma has resulted in division, disputation, and bloodshed. This book is my effort to reveal the truth in the message of Christ as expressed in His actual words. Because of social, political, and psychological factors motivating the early Church leaders, they were unable to give us a Christian theology that reflects the real meaning of the unconditional love found in the Gospel of Jesus Christ. If we are to experience the truth of Jesus Christ, we must re-visit the actual words of Jesus Christ to apprehend His message of love. By eliminating the erroneous interpretations made by clerical middle men, we can formulate our own

thoughts based on the actual message of Jesus Christ It is my sincere hope that we will make this search as though we are spiritual archeologists digging for the truth that has remained buried under two thousand years of obfuscation With our new understanding of what Christ was teaching us it will be our time to know the true meaning of Christianity We will investigate the message of Christ by utilizing the canonical gospels to explore the words of Jesus Christ We will also refer to other Christian Gospels that were very popular amongst the early Christians but due to the politics of power these Christian Gospels were excluded from the New Testament Bible Canon In addition to these sources we will further explore other ancient texts that were influential within the early Christian communities such as the books found in the Corpus Hermeticum Our journey will take us to unexpected and exciting insights We will discover why our Christian institutions are failing The truth as expressed in the message of Christ is to be found in the actual words of Jesus Christ Unfortunately His truth has been lost in the creation of abstruse creeds and complicated doctrines by Church leaders In creating their Christian theology the early orthodox Church leaders were mainly interested in establishing and projecting their authority over all other Christian sects and political institutions True Christianity is not about judgment and condemnation Jesus Christ taught us that God is a loving Father and as such we have no reasons to fear our Father It is our responsibility as individuals to discover the new reality of Christian love and it will be our task to practice what we learn True Christianity is universal kinship The words of Jesus Christ as recorded in both canonical and non canonical sources will be used as our spiritual road map In the early years after the death of Jesus Christ men created the Christian religion and their creation has resulted in our modern Christian institutions Unfortunately we have inherited churchianity And true Christianity has yet to be discovered How the Churches Got It Wrong Christianity Revealed will be our spiritual journey to find the lost Gospel of Jesus Christ It is our journey back home to our spiritual Garden of Eden It will be our journey to discover the truth about unconditional love as expressed by Jesus Christ and He did not intend for this truth to be hidden by men who are mainly interested in the development of ecclesiastical power Christ gave us a message of love love God and love one another The message of Jesus Christ belongs to all of us and it is our responsibility to understand His truth The future is ours and our potential for spiritual development is unlimited In the Gospels Jesus Christ is teaching us that we can perform greater deeds than those performed by Him The choice is ours and our future awaits us
