

A dramatic scene featuring a glowing cross in the center, set against a dark, cloudy sky. The cross is illuminated from behind, creating a bright, ethereal glow. The text "VICTORY IN JESUS" is written in large, bold, golden letters across the middle of the image. The overall atmosphere is one of triumph and spiritual light.

Christians Victory:

Victory in Christ Charles Trumbull, 2010-01-01 The author manifests insight into the full reality of the victory we have in Christ He uplifts the Lord Jesus Christ pointing to Him as the Victor over self and sin *Securing America's Victory* G S Wisner, 2020-12-19 We have lived through the first volleys of the Third Episode of General Washington's Vision COVID 19 rioting and more NOW WHAT The solution to all today's crises is so simple it is radical This book is recommended reading to anyone who is awake or red pill'd to connect them to the spiritual component of what is happening in America and the world today It is about the role of Christians and their churches in restoring acknowledgement of the Presence of God in America and throughout the earth Learn the two secrets to sustainable Justice And discover the Highest Common Denominator we all share It will unify all people and enable us to transcend toxic diversity Together we will replace the hatred division violence and madness with clarity love respect inclusion and sustainable justice This book is an inoculation of truth love and goodness not a vaccine introducing disease division and control Discover a simple common sense how to method to build up an immunity to evil Here is the antithesis and antidote to the herd collective mentality that is spreading like a plague across our land It is threatening to engulf We the Peoples into the slavery of lost identity and self worth through its ravenous ideological possession This is a Kingdom Message The only true antidote the only effective and sustainable solution to this national and global crisis is the full intervention of the I AM WHO I AM Our Father God wielding the fullness of His Love Wisdom and Power The only key to this manifesting is our loving true obedience to His Law of Love as taught and demonstrated by Jesus the Christ Herein lays the true foundation of one nation under God indivisible with liberty and justice for all The author G S Wisner has invested 25 years in research and in living the message of this book My greatest prayer and hope is that my siblings in Our Father's family return directly to God in a personal reciprocal and loving relationship This is what Jesus demonstrated through his life I don't want to draw anyone's attention and honor away from their rightful place I am a grateful child of the I AM WHO I AM Our Father God and a servant of Jesus Christ G S left a six figure career in obedience to God's invitation to His service It has led along an illumined path where God and Jesus are undeniably present There was no other choice that held any integrity honor truth or love I have never regretted it It has been the most arduous rewarding fulfilling and joyful experience I can imagine I am grateful to share some of the fruits with you here **Living in Victory** Joel Comiskey, 2020-07-14 Christians desire to grow in their relationship with God They want to flourish to experience victory in their Christian lives They want to live in the overcoming power that the cross provides But they are stuck They are like my friend John who works sixty hours per week sits in two hours of traffic each day and carries the burdens of the world on his shoulders He and his wife Jenny love each other or at least they used to They now spend their time together carting their kids to activities after driving through Taco Bell for dinner Every week John sits in the second row at church listening to the pastor and he and Jenny volunteer in the children's church But he told me last week that he is exhausted On the surface he

has a good life but deep down he is drowning He has no real victory How does someone like John stem the tide How does he start living the victorious lifestyle Jesus came to offer Many find the answer in promises of a magic pill something that provides a quick fix But such fixes don't exist The victory of God is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life True victory comes in heaven and not on earth And only the Spirit of God living through the believer based on God's Word can give true victory But there are basic principles that God has used throughout the centuries to encourage believers and give them victory In this book I've pinpointed nine principles and priorities that will help a believer live a victorious Christian life They are victory in preparing for eternity victory in experiencing God's love victory in God's grace victory in God's sovereignty victory in spending time with Jesus victory in close relationships victory in the local church victory in rest victory in healthy living These nine priorities will help you understand and apply principles that are simple biblical and time tested to produce spiritual emotional and physical benefits My aim is to stimulate you to live these biblical truths while allowing the Holy Spirit to transform you

Grace Small, 2013 God's Chosen Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God's full armor and learning to use the means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the

challenge purpose and outcome of spiritual warfare Putting on God's armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6:10-18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work
