Christine De Pisan:

Christine de Pizan Charity Cannon Willard, 1984 Readers will learn a great deal about Paris during the most tumultuous days of the Hundred Years War about the culture of Renaissance France and most of all about this unusual and heroic woman Virginia Quarterly A biography of France's first woman of letters who lived from 1364-1429 Among her works is the classic defense of women *The Book of the City of Ladies* Christine de Pizan Edith Yenal, 1989 Christine de Pizan c. 1364-1430 a celebrated author and early feminist was one of the outstanding women of her time Her present revival has focused new critical attention on her work and contributions to late medieval culture This revised and enlarged second edition is an annotated cross-referenced bibliography including both primary and secondary source material With three indexes Entries include primary and secondary sources about Christine de Pizan c. 1364-1430 a celebrated author and early feminist **The Selected Writings of Christine de Pizan** Christine De Pizan, Christine (de Pisan), 1997 Contains selections from eighteen major works by Christine de Pizan Europe's first professional woman writer presented in contemporary translation with annotations and includes an introduction and seven critical analyses The Order of the Rose Enid McLeod, 1976 *Times Literary Supplement* Miss McLeod vividly engages our attention She has the ability to conjure up wide vistas or to paint portraits in very few words A very carefully researched very considerable work which is often moving and always engaging because of Miss McLeod's great enthusiasm for the period the prince and the poet She has every student of fifteenth century France deeply in her debt PHILIP TOYNBEE An admirable biography She is caught up in the great issues of fifteenth century France and she is able to write them as if they were such impassioned contemporary issues as the Vietnam war Miss McLeod brings the age alive with the vividness of a deep scholarship illuminated by an equally deep affection Winner of the Duff Cooper Memorial Prize for 1970 Publisher The Writings of Christine de Pizan Christine, Charity Cannon Willard, 1994-01 Willard mark the major divisions of the book and set the writings in an historical biographical and literary context References are annotated and the sources of the translations are cited The volume also includes biographical notes on the translators extensive bibliography and an index Many years in the making *The Writings of Christine de Pizan* has been long awaited by both the general reader and the specialist **Christine's Vision** Christine (de Pisan), 1993 The last of Christine de Pizan's book-length allegories *The Vision* L. Avison was written at a time of tumult in both the history of France and Christine's own professional life It is both a powerful contemporary response to the chaos that would eventually precipitate Henry V's invasion of France and a fascinating view of the author's own progress as a woman reader, writer, and public commentator in the late Middle Ages As a long-time intimate of the French court Christine here analyses the origins of the civil strife in which France found itself in 1405 and offers a possible future calling for its resolution in the voice of a prophet Interwoven with this analysis is her own validation as a counselor and public advisor she traces her ascent from recording scribe to student commentator to authoritative author demonstrating and applying the arts of interpretation to

French history contemporary politics authoritative texts and her own life Alongside her documentation of the difficulties faced by a medieval woman left widowed early in life she also explores issues of gender and authorship interpretation and misinterpretation in her remarkable career as a writer and advisor of princes Publisher's description **Christine de Pisan** Christine (de Pisan),1996 *The Vision of Christine de Pisan* Christine (de Pisan),2005 Translation of Christine's autobiographical *Vision* both dealing with her own life and career and offering a possible solution to the troubled state of France at the time **Christine de Pisan's The Book of the Deeds and Good Character of King Charles V, the Wise** Christine (de Pisan),Judith Ann Laird,1996 **The Treasure of the City of Ladies** Christine de Pisan,2003-10-30 Written by Europe's first professional woman writer *The Treasure of the City of Ladies* offers advice and guidance to women of all ages and from all levels of medieval society from royal courtiers to prostitutes It paints an intricate picture of daily life in the courts and streets of fifteenth century France and gives a fascinating glimpse into the practical considerations of running a household dressing appropriately and maintaining a reputation in all circumstances Christine de Pisan's book provides a valuable counterbalance to male accounts of life in the middle ages and demonstrates often with dry humour how a woman's position in society could be made less precarious by following the correct etiquette *Book of Deeds of Arms and of Chivalry* Charity Cannon Willard,Sumner Willard,2010-11-01 It is unexpected in any era to find a woman writing a book on the art of warfare but in the fifteenth century it was unbelievable Not surprisingly therefore Christine de Pisan's *The Book of Deeds of Arms and of Chivalry* written around 1410 has often been regarded with disdain Many have assumed that Christine was simply copying or pilfering earlier military manuals But as Sumner Willard and Charity Cannon Willard show in this faithful English translation *The Book of Deeds of Arms and of Chivalry* contains much that is original to Christine As a military manual it tells us a great deal about the strategy tactics and technology of medieval warfare and is one of our most important sources for early gunpowder weapon technology It also includes a fascinating discussion of Just War Since the end of the fifteenth century *The Book of Deeds of Arms and of Chivalry* has been available primarily through Antoine Verdier's imprint of 1488 or William Caxton's 1489 translation *The Book of the Order of Chivalry* Verdier even suggested that the work was his own translation of the Roman writer Vegetius making no mention of Christine's name Caxton attributed the work to Christine but it is impossible to identify the manuscript he used for his translation Moreover both translations are inaccurate The Willards correct these inaccuracies in a clear and easy to read translation which they supplement with notes and an introduction that will greatly benefit students scholars and enthusiasts alike Publication of this work should change our perception both of medieval warfare and of Christine de Pisan **Delphi Collected Works of Christine de Pisan (Illustrated)** Christine de Pisan,2025-04-11 Europe's first professional woman of letters Christine de Pisan was a fifteenth century French poet and author whose prolific and diverse works include courtly poems biographies philosophical treatises and proto feminist texts Her masterpiece *The Book of the City of Ladies* combats medieval beliefs about women by creating
