## **Christly Gestures:**

**Christly Gestures** Brett Webb-Mitchell,2003 The church is not only the central place of Christian worship but also a place of faith filled education Christly Gestures reframes the very meaning of religious education exploring what the form and content of Christian learning would look like if local churches truly saw themselves as the body of Christ Author Brett Webb Mitchell begins with the writings of Paul using them to clarify the biblical image of Christ s body as the community of believers Taking this powerful analogy to heart he suggests that Christian education must not only nurture the minds and spiritual lives of church members but also educate their bodies into the Christly gestures performing acts of faith that imitate Jesus and embody the gospel in daily life In the quest for a richer more relevant understanding of Christian education Webb Mitchell provides meaningful answers to questions concerning the purpose context ways and means of educating Christians today

**The Task of Dogmatics** Zondervan,2017-11-21 Defining the Nature Process and Mission of Dogmatic Discourse Theologians often discuss method in a remote and preliminary way that suggests they are not yet speaking theologically when speaking methodologically But it is also possible to reflect on the work of Christian dogmatics in a way that is self consciously nourished by biblical reasoning resourced by tradition joined up with ecclesial practice and alert to spiritual dynamics Bringing together theologians who are actively engaged in the writing and editing of extended dogmatics projects The Task of Dogmatics represents the proceedings of the 2017 Los Angeles Theology Conference and seeks to provide constructive accounts of the nature of the dogmatic task The eleven diverse essays in this collection include discussions on Identifying theology s pattern and norm The validity and relativity of doctrinal statements The Apostle Paul and the task of dogmatics The retrieval of patristic and medieval theology Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future

*The Body of Christ as Seen through the Eyes of a Physician* Pat Fosarelli,2024-12-20 At a time when people have a heightened interest in and knowledge of the human body what makes it function well what makes it function poorly and at the same time when factions within our world country and church are at odds with each other an appeal to St Paul s idea of the body of Christ seems particularly apropos Although Christians have heard millions of sermons over the millennia about the body it is time to take a fresh look based on what we now know scientifically about the interconnection of the various parts of our bodies Harmonious interactions among systems in the body confer good health so too in the body of Christ Lack of harmony among bodily systems predicts illness so too in the body of Christ Building on what church leaders have taught throughout the ages a physician theologian approaches the body of Christ and its ills as well as its potential for flourishing with a deep understanding of how the human body works

**Beyond Accessibility** Brett Webb-Mitchell,2010-04-01 A church has built an accessibility ramp and perhaps refitted its restrooms to accommodate a wheelchair Now what This new resource by a

noted author of several books on people with disabilities offers a theological and practical approach for congregations with clear targeted strategies for full inclusion of all members recognizing and using the gifts that each member brings to the congregations life together *Remembering Our Future* Andrew Walker, Luke Bretherton, 2007 How the issues of the past affect the future of Deep Church a concept conceived by C S Lewis Orthodox Catholic and Protestant traditions drink from the well of a common tradition rooted in the early Church Many Evangelicals are now reengaging with the practice of the early church as they seek to live as disciples today Remembering the past is essential for facing the future In *Remembering Our Future* leaders and theologians reflect on a range of issues for which a vibrant contemporary faith requires a careful listening to the past What is the place of tradition in the Church s life How should we interpret the Bible How should we worship What in other words might Deep Church look like *Human Disability and the Service of God* Nancy L. Eiesland, 1998 Explores the role of human disability in the service of God and examines how the participation of people with disabilities relate to the scriptures that speak of sin disability and healing Challenges the current practices within the churches encourages people with disabilities to press for full inclusion suggests that congregations should re envision their actual practices in communal life and worship and presents a selection entitled *Disabling the Lie* Includes topic and name indices *Christ in Practice* Clive Marsh, 2006 In 1944 Dietrich Bonhoeffer asked Who is Christ for us today In this theologically informed and very practical exploration of what it means to live in Christ Clive Marsh seeks to answer Bonhoeffer s question in a way that is appropriate for the 21st Century *Christ in Practice* refuses to locate Christ solely in the Church but finds him in the midst of contemporary life especially in the complex ethical challenges of daily living Clive Marsh considers how Christ is present today and invites us to reflect on how communal human interaction can be informed and transformed through attempting to understand this question In the process he considers how Christ and the Church relate today highlighting the decisive role to be played by the Church in society and the humility with which it needs to fulfil its task Clive Marsh argues that the point of Christology and of Christianity itself is not to interpret Christ but to live within Christ and to do so without being consumed by Church It is a passionate plea for Christians to remain faithful to a commitment to Christ as present and active in the world **The Christian Advocate** ,1928 **Book Review Index** ,2006 Every 3rd issue is a quarterly cumulation **Michigan Christian Advocate** ,1928 *Christian Living* ,1971 **The Catholic Periodical and Literature Index** ,2005 **The Western Christian Advocate** ,1908 *The North Carolina Historical Review* ,2004 *The House* Thomas Murphy, 2000-10-12 Cast size large **Gestures and their meaning in Early Christian art** Mary L.
