Christmas Again Already:

Christmas Again, Already Gray Joliffe, 2000 The first Jewish Christmas book for over 2000 years Gray Joliffe is an award winning cartoonist for the Daily Mail Here he has a very offbeat look at Christmas **The Golden Princess** L.R Garner, 2014-02 Alice took a deep breath and faced the menace As she did so Alwyn who had also recovered his feet rushed at her to drag her away to safety He grabbed her around the waist but Alice swept him aside with a powerful and almost casual swing of her arm sending him flying backwards the beast which had started to advance toward her stopped As Alice s power began to work on it it gradually began to shrink and fade She took one pace toward the beast and it disappeared completely from where he was lying Alwyn saw all that she did This was not the Alice he knew What he could see was a tall strong stone faced hard woman with eyes that were glowing white This was not his Alice *What You Can See from Here* Mariana Leky, 2021-06-22 I loved this novel truly madly deeply Nina George bestselling author of *The Book of Dreams* and *The Little Paris Bookshop* In this international bestseller by the award winning novelist Mariana Leky a heartwarming story unfolds about a small town a grandmother whose dreams foretell a coming death and the young woman forever changed by these losses and her loving endearingly oddball community On a beautiful spring day a small village wakes up to an omen Selma has dreamed of an okapi Someone is about to die Luisa Selma s ten year old granddaughter looks on as the predictable characters of her small world begin acting strangely Though they claim not to be superstitious each of her neighbors newly grapples with buried secrets and deferred decisions that have become urgent in the face of death Luisa s mother struggles to decide whether to end her marriage An old family friend known only as the optician tries to find the courage to tell Selma he loves her Only sad Marlies remains unchanged still moping around her house and cooking terrible food But when the prophesied death finally comes the circumstances fall outside anyone s expectations The loss forever changes Luisa and shapes her for years to come as she encounters life s great questions alongside her devoted friends young and old A story about the absurdity of life and death a bittersweet portrait of small towns and the wider world that beckons beyond this charmer of a novel is also a thoughtful meditation on the way loss and love shape not just a person but a community Mariana Leky s *What You Can See from Here* is a moving tale of grief first love reluctant love late love and finding one s place in the world even if that place is right where you started **Septology** Jon Fosse, 2022-10-01 The celebrated Norwegian novelist s magnum opus shortlisted for the International Booker Prize published in one volume for the first time What makes us who we are And why do we lead one life and not another Asle an ageing painter and widower who lives alone on the southwest coast of Norway is reminiscing about his life His only friends are his neighbour sleik a traditional fisherman farmer and Beyer a gallerist who lives in the city There in Bj rgvin lives another Asle also a painter but lonely and consumed by alcohol Asle and Asle are doppelg ngers two versions of the same person two versions of the same life both grappling with existential questions about death love light and shadow faith and hopelessness Jon Fosse s *Septology* is a transcendent exploration of

the human condition and a radically other reading experience incantatory hypnotic and utterly unique Jon Fosse is a major European writer Karl Ove Knausgaard The Beckett of the twenty first century Le Monde An extraordinary seven novel sequence about an old man s recursive reckoning with the braided realities of God art identity family life and human life itself the culminating project of an already major career Randy Boyagoda New York Times A major work of Scandinavian fiction Fosse has written a strange mystical moebius strip of a novel in which an artist struggles with faith and loneliness and watches himself or versions of himself fall away into the lower depths Hari Kunzru I hesitate to compare the experience of reading these works to the act of meditation But that is the closest I can come to describing how something in the critical self is shed in the process of reading Fosse only to be replaced by something more primal A mood An atmosphere The sound of words moving on a page Ruth Margalit The New York Review of Books **Missions** Howard Benjamin Grose,1920
