**REAL STORY OF XMAS** W. Cleon Skousen, 2016-11-15 Has the real meaning of Christmas become lost How do you bring the true meaning of the holiday back to the season In an era when Christmas has become little more than a frenzy of exhausting and expensive consumerism many Christians are searching for a way to reclaim the deeper meaning of the celebration for their children and family New York Times best selling author W Cleon Skousen s The Real Story of Christmas reconnects the reader with what Christmas is supposed to be peace goodwill and the story of Jesus Christ Skousen provides historical context and a clear explanation of the events the places and the people involved in the birth of Jesus Mary and Joseph Zacharias and Elizabeth Simeon and Anna the three wise men and the Roman occupying army Those seeking the Christ Child for both good and evil are brought to life with historical context and description It s the real story of Christmas the one that has lived for 2 000 years to change the hearts of billions toward fostering true peace on earth and good will toward men At the end of the book are the verses from Luke 2 that give the original biblical account of Jesus s birth a perfect passage for family reading on Christmas Eve The Real Story of Christmas begins in a humble little village long besieged by warriors with little hope of escape until one night in early spring when there was born a babe in a manger whose life and mission would literally change everything

**The True Christmas Story** V. S. Sheridan, 2012-11-15 The True Christmas Story is a simple retelling of the Nativity story intended for two to six year olds to share the miraculous birth of Jesus Christ Taken from the Gospel of St Luke young readers can begin to incorporate the True Christmas Story into their lives and holiday traditions celebrating the true meaning of Christmas In my home growing up every Christmas we had a tradition of reading the Christmas story All families have different ways of celebrating

Christmas and Santa may or may not be a part of that In my family Santa brought one or two surprises every year but he wasn't the focus of our holiday I don't even remember when Santa faded away I do remember making birthday cakes for Jesus and singing Him Happy Birthday on Christmas Eve And then every year on Christmas morning my dad built a fire in the fireplace in sunny San Diego where it was never needed and before presents were opened we read the Christmas story from the Gospel of Luke We prayed as a family thanking God for the greatest gift of all baby Jesus After celebrating the real reason for Christmas we could dive right into opening presents Imagine my delight when I discovered the art of VS Sheridan This retelling of the Christmas story is not meant to replace opening the Bible But when I saw her art the first thing that ran through my mind was squealing children everywhere running with excitement to read the true story of Christmas My prayer is that each child would have the true Christmas story as a tradition in their celebration and Jesus a place in their heart Merry Christmas Dana S Chisholm

**The Real Story of Christmas** W. Cleon Skousen, 1949 There never was a more exciting Christmas than the first one Oddly enough however the complete historical account of that first Christmas is seldom told There are forgotten chapters buried in scriptural records which the pageants at Christmas time fail to relate The purpose of this writing is to tell the whole story the way history has preserved it The Real Story of Christmas has been enjoyed in thousands of homes for over half a century and continues to enlighten and enrich with a greater understanding of the amazing events leading up to our Savior's birth *The True Story of Christmas* Nelle Navillus, 1998 A simple retelling of the Nativity story describing the birth of Jesus the special visitors who came to honor him and the celebration of the event as Christmas
