**Christ's Answer to the Atheist, to the Jew** Earl W. Carlsen,1987      *Answering Jewish Objections to Jesus* Michael L. Brown,2000-02 I won t betray my ancestors      **Answering Jewish Objections to Jesus : Volume 1** Michael L. Brown,2000-02-01 An honest fair and thorough discussion of the issues raised in Jewish Christian apologetics covering thirty five objections on general and historical themes      **My Answer to the Moscow Atheists** Richard Wurmbrand,1975 First published in 1975 under title *The answer to Moscow s Bible*      [The Jewish People and Jesus Christ After Auschwitz](#) Jakob Jocz,1991-10-08 The author marks the end of World War II as the closing of an important period of history and the possible new beginning for the Jewish people the church and the world at large He cites two events as of major importance the creation of the Jewish state of Israel and the second Vatican Council He takes a look at the evolution of a new kind of Judaism that is more tolerant and accepting of Jesus as Jew just as the church intensifies its commitment to Judaeo Christian dialogue Originally published by Baker Book House in 1981      [Our Jewish Neighbors](#) ,1927      **The Debaters of This Age** Steven H Propp,2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time      *How to answer to an atheist* Roope Berg,2025-06-12 In today s debate about religion and Christianity atheism seems to be dominant And anyway at least in Western countries atheism seems to be the dominant ideology One reason for this seems to be that Christians that is Jesus disciples do not know their own matter well Atheists have many websites to help them in the discussion where attacks against Christianity are collected but the greatest help for them is the ignorance of Christians in many matters Of course Christians also have their own websites where there are ready made answers But in many cases those answers seem to be a bit incomplete which gives the opponent an advantage The saddest part of ignorance is that many wrong and false perceptions are unleashed when people don t know how to correct them It can easily lead many to abandon Christianity and also prevents many from choosing Christianity Everyone should be free to choose whether to believe the message but it would be good if the choice were based on correct information and not

just one often distorted view on the matter This book examines many of the questions and answers related to Christianity that have come up in discussions The book is not intended to make you a believer and you don t even have to agree with the ideas The goal is to provide an alternative to what otherwise seems to be quite one sided thinking and hopefully help you understand things related to Christianity better
